*In a sane, humane world, the headline would be 19 arrests for executing civilians without trial.*

But [Pupul Chatterjee](#) (@pupulchatterjee) shares the news [from the Staffordshire Police](#) that 19 people have been arrested at the UAV Engines factory in Shenstone, Staffordshire, owned by Israeli arms manufacturer Elbit. (see an earlier post [on a sister site](#)). On the [Birmingham Eastside website](#) via [The Brummie aggregator](#), she reports:

Chief Inspector Steve Smith, Staffordshire Police said: “In response to breaches of a High Court order and some public order offences a total of 19 persons (18 male, 1 female) were arrested. Those arrested remain in police custody and will be questioned about offences this evening.”

Three other protest sites included [Instro Precision in Broadstair, Kent](#); [Elite KL in Tamworth](#) and a site in Melbourne, Australia.

Year after year these protests are made, but the barbaric killing goes on.
