Global Research, March 17, 2022

Through a vast network of authors, scholars, journalists and activists, the objective of Global Research is to contribute to peace and justice. Our commitment for more than 20 years has been to deliver to our readers the unreported, misreported and underreported truths.

We have been reporting on the Ukraine-Russia conflict for several years while closely monitoring the developments surrounding the COVID-19 pandemic since its outbreak in January 2020.

To maintain our complete independence, we do not accept government or corporate funding. Therefore, we ask you, our readers, to show some support by [making a donation](#) and/or [starting a membership](#) (which includes a free book offer) and ensuring that the message reaches as many people as possible:
