*For those who still believe that Covid is a deadly disease and that the "vaccination" will be their salvation – or has been their salvation – this article and video account by world renown author and researcher Dr. Naomi Wolf may come as a cold shower – or at least as an overdue eye-opener.*

Pfizer and Moderna "vaccinations" – lets call them killer injections – have been designed to do exactly the contrary of what they were "lied to do": **not to save humanity from a disease, but to decimate humanity, to depopulate the earth.**

That is actually the agenda of the Great Reset and the infamous UN Agenda 2030.

Please watch Dr. Naomi Wolf's compelling video presentation – all based on facts, based on Pfizer documentation which presents openly the sterilizing and deadly "side effects", actually the depopulation targets, infertility, affecting mostly female but also male reproductive systems, infertility, turbo-cancers, and more.

This Evil agenda is being executed – and continues to be executed, as long as we, the People, allow it, participate in it and let it happen.

Be fully aware that this has only been possible through close collaboration and decades if not at least a century of cooperative preparation by such "reputed" organizations like WHO, GAVI (the Vaxx Association, Big Pharma, and close ally of WHO), the UN System (fully on board), the World Economic Forum (WEF), the Club of Rome, the Rockefellers, Gates, Soros *et al* — and by the enormous financial powers behind it all and not least, by the more than 190 world governments, betraying Us, We, the People. Because they all knew and lied to us.

Never trust your government again.

Never trust your mainstream media again.

Please listen, watch it and distribute further to save lives.

## The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

*“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”*
