

Bombshell: Official Data from Germany's Ministry of Health Confirms The Devastating Impacts of The Covid Lockdowns, "More Harm Than COVID-19"

The German Government's Report Confirms the legitimacy and validity of the numerous independent scientific reports on the alleged pandemic, which have been the object of censorship

What is significant is that the German Health authorities based on official data have now been obliged under Freedom of Information to reveal the devastating nature and impacts of the Covid lockdowns imposed on 190 countries, starting March 11, 2020.

Most of the independent studies including those conducted by Global Research have been the object of censorship.

Of Significance, the official documents of the Germany's Ministry of Health consistent with the independent reports published in the course of more than 4 years pertaining to the COVID-19 lockdowns, the mandatory wearing of the face mask, and the experimental mRNA vaccines.

[March 11, 2020, Biggest Lie in World History: There Never Was A Pandemic. The Data Base](#)

is Flawed. The Covid Mandates including the Vaccine are Invalid

By [Prof Michel Chossudovsky](#), March 30, 2024

Today March 11, 2024: Four Years Ago the Covid-19 Lockdown was imposed in one fell swoop by national governments Worldwide.

The Lockdown implied: "Confining the Labour Force" and "Freezing the Work Place".

Not a single economist has acknowledged this relationship. From their standpoint, it was the virus which triggered economic and social collapse. What nonsense.

What does this imply. The most serious economic and social crisis in World history which four years later is still ongoing, leading to economic chaos and mass poverty Worldwide.

Destabilizing the social, political and economic structure of 190 sovereign countries cannot constitute a "solution" to combating the virus.

But that was the imposed "solution" which was implemented in several stages from the very outset of the corona crisis in January 2020.

It's the destruction of people's lives. It is the destabilization of civil society.

Fake science was supportive of this devastating agenda. The lies were sustained by a massive media disinformation campaign. 24/7, Incessant and Repetitive "Covid alerts" in the course of the last four years.

The historic March 11, 2020 lockdown triggered economic and social chaos Worldwide. It was an act of "economic warfare": a war against humanity.

This diabolical agenda has undermined the sovereignty of nation states.

It has contributed to a wave of bankruptcies. It has impoverished people Worldwide.

It has led to a spiralling dollar denominated global debt.

Using advanced digital and communications technologies, the lockdown and "closure" of the global economy is unprecedented in World history.

The video below was produced by Global Research in December 2020 prior to the launching of the vaccine. It was released in early 2021.

It was the object of immediate censorship. It was taken down.

[Mask Wearer Versus Non-Mask Wearer. Why Most People Couldn't See the Lies?](#)

By [Mark Keenan](#), February 05, 2024

Covid-19 was a fulcrum event, it created a mental split. There are those that fully accepted the government narrative, restrictions, and wore the masks proudly; and there are those more aware people that could see for themselves what was really happening. Millions of people worldwide have seen through the deception.

However, for the most part, those people that could see the truth couldn't convince most other people of that truth no matter how hard they tried, and those believing the government narrative couldn't convince the 'truthers' of their truth no matter hard they tried.

It seemed like an invisible mental barrier manifested itself. Why could the relative few people see through the Covid-19 fake pandemic so clearly amidst the mass insanity around them? and why could most of the people not see the lies?

[Science Is Conclusive: Masks and Respirators Do Not Prevent Transmission of Viruses](#)

By [Prof Denis Rancourt](#), January 03, 2021

Masks and respirators do not work. There have been extensive randomized controlled trial (RCT) studies, and meta-analysis reviews of RCT studies, which all show that masks and respirators do not work to prevent respiratory influenza-like illnesses, or respiratory illnesses believed to be transmitted by droplets and aerosol particles.

Furthermore, the relevant known physics and biology, which I review, are such that masks and respirators should not work.

It would be a paradox if masks and respirators worked, given what we know about viral respiratory diseases: The main transmission path is long-residence-time aerosol particles ($< 2.5 \mu\text{m}$), which are too fine to be blocked, and the minimum-infective-dose is smaller than one aerosol particle.

The present paper about masks illustrates the degree to which governments, the mainstream media, and institutional propagandists can decide to operate in a science vacuum, or select only incomplete science that serves their interests. Such recklessness is also certainly the case with the current global lockdown of over 1 billion people, an unprecedented experiment in medical and political history.

Lockdowns Could Cause More Harm Than COVID-19 and There Was No Evidence That Wearing Masks Was Useful, German Health Body Admitted During Coronavirus Pandemic, Released Documents Show

Daily Mail Online

March 26, 2024

[Germany](#)'s top public health agency knew that Covid lockdowns could be more damaging than the virus itself as early as December 2020 and said mask mandates were not backed by evidence, it has been revealed.

Newly published documents from the Robert Koch Institute (RKI) show its researchers explicitly warned that their analysis showed lockdowns in Africa showed 'an expected rise in child mortality'.

'The consequences of the lockdowns are in parts more severe than the virus itself,' the December 2020 report said, with another document dated to October 2020 suggesting that there was 'no evidence' to support that FFP2 medical masks could prevent the spread of Covid.

But the findings were never made public, despite researchers clearly advocating for [the open](#) communication of their research in meeting minutes, with the German government choosing to pursue legislation their own researchers advised against.

The revelations come after a two-year legal battle between the RKI and German

magazine [Multipolar](#), which ultimately won the court case to publish documents that were heavily redacted by the health agency.

Multipolar has since launched another legal claim in an attempt to secure full access to the unredacted documents, which may conceal a trove of Covid policy recommendations that the RKI and the German government opted not to share with the public.

The saga now threatens to trigger a fallout in the German government, with Bundestag Vice President Wolfgang Kubicki telling German media:

‘The protocols of the RKI crisis team, some of which have now been released, raise considerable doubts as to whether the political measures to deal with the corona pandemic were really taken on a scientific basis.’

Protestors seen holding placards that say ‘medical freedom’ during a demonstration against vaccine mandates in the UK

The newly released documents showed RKI researchers found ‘no evidence’ that masks were effective at preventing the spread of Covid

Kubicki told German outlet [Bild](#) that ‘the top of the RKI, of all people, followed the political guidelines of the respective federal government and thus provided the necessary scientific facade for Corona policy.’

He also called on Germany’s Federal Minister of Health, Karl Lauterbach, to ‘present all protocols to the public without redactions in order to create complete transparency about the internal discussions and the basis for decisions.

‘If Karl Lauterbach does not follow my request, as a parliamentarian I will work to persuade him to make this disclosure so that the clarification can finally be satisfied.’

Meanwhile, the former leader of Germany’s Christian Democratic Union party Armin Laschet has declared the RKI must go public with its findings.

Speaking with German broadcaster [ZDF](#), the parliamentarian said:

‘We have to disclose everything.

‘You can see how differentiated the discussions were at the RKI back then and how little of this diversity of opinion ultimately found its way into concrete policy,’ he continued, recalling how debates over Covid policy became ‘moralised’.

‘Either you are for one measure or you are a Corona denier. But there was a lot in between,’ he concluded.

Meanwhile, a minute from an RKI meeting in January 2021 expressed concerns with the viability of the [AstraZeneca](#) Covid vaccine, with researchers warning its use ‘should be discussed’ because the jab was ‘not as perfect’.

That same jab – that was offered to millions in the UK – was later discontinued and not offered as a booster after reports surfaced of people developing blood clots in combination with low platelet levels.

The shocking revelations come as public health experts in the UK slammed the government's Covid inquiry for 'bias', claiming it has failed to investigate the harmful impact of [lockdown](#) on British society.

More than 50 scholars and academics from some of the UK's top universities wrote to inquiry chairman Baroness Heather Hallett earlier this month urging her to 'address its apparent biases, assumptions and impartiality'.

They accuse the inquiry of 'not living up to its mission to evaluate the mistakes made during the pandemic', including whether measures such as lockdowns and restrictions on mass gatherings were 'appropriate'.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects

humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument."

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight. -Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden "plandemic"; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that "there is no causal relationship between the virus and economic variables." In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. -David Skripac

A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
