In this article I provide extracts from my book No Worries No Virus. The book details:

- comprehensive evidence of the Covid-19 hoax;
- evidence the pandemic situation was planned with a purpose;
- analysis indicating the Covid-19 death numbers are fraudulent;
- flawed modelling and false case numbers used to justify world lockdown;
- the fraudulent Covid-19 PCR test used to create false case numbers;
- technical analysis and evidence showing that a Covid-19 virus causing disease simply does not exist (no evidence of being isolated, ever);
- the work of Dr Stefan Lanka and other experts demonstrating that pathogenic viruses causing disease simply do not exist – virology took a wrong turn
- the truth about relevant world events in banking, politics, and war between 1913 to 2019 that help one gain a deeper realisation of the agenda behind the Covid-19 world lockdown;
- analysis of the World Economic Forum technocratic reset agenda.

In March 2020, as the most of world grinded to a halt in the face of the Covid-19 scare, populations were simultaneously preached to by establishment media and corrupted politicians about the threat of impending death. A threat that was propagandised by the corporate-owned and government media with incomplete, pseudo-science, pressuring everyone to get the jab. The fact that most of the people of the world were simultaneously forced to 'stop', signalled that a major change in the world was being attempted.

In our own life time we have lived under a corporate-communist political hierarchy, which, though purporting to be made of individual and autonomous nation states, is actually a one world government controlled by the world private banking cartel and its mega-corporations and its unelected institutional framework, including the United Nations, the World Health

Organisation, the World Economic Forum, et al. This also includes the mega-corporate media who, at the launch of the pandemic, employed nothing less than trauma-based mind control to convince the world's population that they were all likely to die from Covid-19 unless they did exactly what the world government ordered and take an experimental vaccine. They then enact and encourage laws that allow society to become degraded, weak, easily controllable, and unable to perceive the nature of their material and spiritual captivity.

Covid-19 was a fulcrum event, it created a mental split. There are those that fully accepted the government narrative, restrictions, and wore the masks proudly; and there are those more aware people that could see for themselves what was really happening. Millions of people worldwide have seen through the deception.

However, for the most part, those people that could see the truth couldn't convince most other people of that truth no matter how hard they tried, and those believing the government narrative couldn't convince the 'truthers' of their truth no matter hard they tried.

A friend sent me this video titled 'Mask Wearer versus Non-Mask Wearer'. The video exemplifies in a comedic way the very noticeable split in families and in wider society that was induced by the Covid 'situation'.

It seemed like an invisible mental barrier manifested itself. Why could the relative few people see through the Covid-19 fake pandemic so clearly amidst the mass insanity around them? and why could most of the people not see the lies?

Rather than submitting to lies and technocratic slavery, perhaps it is how we face and deal with lies that counts. Was the fake pandemic the last chance for those who refused to wake up after the lies of 911 and those who refused to wake up from corporate media fakery.

Note the following video of 911 in which building 7 is seen 'still standing' in the New York skyline even **after** the BBC news team had announced it had collapsed. The BBC news got their timing wrong and building 7 collapsed later from an obvious controlled demolition.

During the terrible events we see an instance where the media-matrix of pre-scripted news got their timing wrong. **No tall building had ever collapsed like a deck of cards primarily due to fire** but this is what the U.S. National Institute of Standards and Technology (NIST) have claimed.

The fact that there is even a debate on whether this was a controlled demolition or not is mind boggling reality breakdown. When you mention building 7 nobody knows a single thing about it.

We can unlock ourselves from the mental prison of corporate media propaganda. Our mental reality creates our physical reality. That is why it is so important to see the truth. By seeing through the deceptions and manipulations our mental reality is cleansed, we are set free from delusion, and the doors and possibilities for a better future can be opened.

Thus, deceptions, such as the Covid-19 pandemic, the lies of 911, or 'manmade climate

change due to CO2', could be perceived as a challenge for us all. We can choose to either be a slave to the lie, or alternatively, to create and co-create a better reality based on truth.
