22 August 2011

In-depth Report: [NATO'S WAR ON LIBYA](#)

“Since the beginning of the NATO operation (31 March 2011, 06.00GMT) a total of 19,751 sorties, including 7,459 strike sorties, have been conducted.

Sorties conducted 20 AUGUST: 105

Strike sorties conducted 20 AUGUST: 36”

These figures do not include the extensive bombing raids directed against civilian targets conducted on the 21st and 22nd of August.

Realities are twisted and turned upside down.

The bombing is part of NATO’s mandate to “protect the lives of civilians”

Make no mistake, NATO is involved in extensive war crimes. The media has been involved in a coverup operation.

The military alliance is supporting an insurgency which in large part is integrated by Islamist death squads which have been set loose in the streets of Tripoli.
