Washington, D.C. www.adc.org | Last Thursday, 54 Members of the House of Representatives led by Congressman Ellison of Minnesota and Congressman McDermott from Washington State signed a letter to President Obama asking his Administration to lift the blockade on Gaza. In the letter to President Obama, the 54 Members of Congress said “the unabated suffering of Gazan civilians highlights the urgency of reaching a resolution to the Israeli-Palestinian conflict, and we ask you to press for immediate relief for the citizens of Gaza as an urgent component of your broader Middle East Peace.” [Click here to read the full letter.](#)

ADC President Mary Rose Oakar said “Now is the time to hold our elected Officials accountable to work for a just and lasting peace in the Middle East . These 54 Members should be recognized for their courage in attempting to bring an end to the unfair treatment of the Palestinian people.”
