Global Research, April 01, 2016

Today we received a message from Tom who is recovering in a hospital in Mexico.

He is making progress and should be released shortly.

Today is the first day that I feel like I am making progress. The surgeon tells me I should be out of hospital on Saturday (I hope)

The doctors and staff have been so kind and helpful.

Thank you for your concern and support.

Tom is looking forward to getting back to work as editor of Informationclearinghouse.net

We wish him all the best, and a speedy recovery,

Tom's ICH is a powerful independent media committed to Truth and Justice
