Region: [Canada](#)

Theme: [Police State & Civil Rights](#)

The video below is an examination of the strategy being used in one of Canada's major cities to repress political dissent.

Brutal police tactics and military weapons being used against senior citizens, young people and the press in an effort to criminalize even the most basic exercise of civic and political rights.

This model is ready for export to the rest of Canada for use against anyone trying to peacefully impact government or corporate agendas through the use of violence and economic pressure.

Coming soon to a town near you...
