Los Angeles School Board Mandates Covid Vaccination for 600,000 kids 12 years old and up.

Many will have serious health problems and many will die. It is all for nothing as healthy kids are essentially at zero risk from Covid.

It is a known fact that the Vaccine is a greater danger to the young than the Covid virus. Why are the kids being forced to be vaccinated? The most plausible answer is that the School Board is utterly corrupt and has been bought by Big Pharma.

Many of the sheeple parents who tolerate this will have dead and injured kids on their hands.
