The National American Renaissance Movement, a New Jersey nonprofit corporation is presenting a Petition to the Governor of New Jersey, the State Attorney General and twenty-one County Prosecutors Offices formally requesting a Grand Jury criminal investigation pursuant to the Tenth Amendment of the United States Constitution which enumerates, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

David R. Meiswinkle, President, Introduces the National American Renaissance Movement July 2023

The 82-page petition with Exhibits asserts that numerous crimes were committed involving the Covid-19 pandemic.

These alleged crimes constitute both State and Federal offenses concerning Racketeering, Murder, Aggravated Assault, Fraud, False Information, Corporate and Official Misconduct, Conspiracy and Domestic Terrorism.

The crimes also deal with the use and deployment of biological weapons. Furthermore, these crimes involve treason, crimes against humanity and violations of the Nuremberg Code.

The criminal allegations are that a cabal of National and Global Racketeers developed and implemented a scheme to empower themselves through a number of orchestrated events which consisted of the following:

A. An outbreak of Covid-19, claimed to be from a bat infecting a human being in a Wuhan wet market was a lie, as the pathogen known as Covid-19 coming from SARS 2 Virus was either man made, developed in both American and Chinese laboratories using illegal gain-of-function research and involving both American and Chinese scientists, or a virulent influenza made to appear as Covid-19 through false PCR tests and media hype, or a biosynthetic pathogen.

B. The March 11, 2020, WHO declaration of Lockdowns, with the countries of the world following in lock-step, engendering fear and freezing social life, was a drastic and totally unnecessary act which caused incalculable losses decimating businesses and households and creating record transfer of wealth away from the middle class.

C. The failure to recommend early treatment with repurposed licensed drugs, and the demonization of these drugs despite their ability to treat and cure people from Covid-19 was a monumental fraud which costs countless lives of individuals as repurposed safe and effective drugs were available and worked.

D. Vaccine approval through Emergency Use Authorization (EUA) of unsafe and ineffective drug treatment was also a monumental fraud as the “experimental vaccines” neither protected against infection nor stopped transmission.

E. The proactive vaccine push to have everyone vaccinated and the continued demonization of repurposed medicines was a ploy not to insure the public’s health but the pharmaceuticals profits, and also presented the greatest opportunity to experiment with injections of nano material into the human body on a massive global scale via the “experimental gene therapy” called a vaccine. There was no informed consent of what was being put into people.

F. The disregard of significant increases in deaths and adverse reactions where more deaths and adverse reactions resulted from these vaccines than all previous vaccines together for the past thirty-three years but amazingly there has been no caution to slow down the vaccination process or cease and desist.

G. The continued push of vaccines despite their failures coinciding with the failure to publicly recognize that in-depth microscopic inspection of the vaccines shows they contain strange previously unseen components, an unknown payload which appears to be bio-synthetic and is self-assembling and genetically modifying the human body clandestinely.

The evidence of this hellish Racketeering scheme responsible for wrecking businesses and personal life’s, killing and maiming countless individuals based on monumental frauds, the raking in of enormous profits, the looting of the United States treasury, the unprecedented attacks on freedoms and sovereignty guaranteed by the United States Constitution, the experimentation on human beings with novel nano technology without informed consent demands a Grand Jury criminal investigation.

The evidence of these crimes includes but is not limited to the following:

1. Books, videos, Substack newsletters, articles and statements of medical experts showing

that the pandemic was man made, the vaccines were dangerous and not necessary and that repurposed drugs such as hydroxychloroquine and ivermectin are safe and effective treatments.

2. Books, videos, Substack newsletters, articles and statements of attorneys and legal experts concluding the same as the medical experts, that the pandemic was man made, the vaccines are dangerous and not necessary and repurposed medicines such as hydroxychloroquine and ivermectin are safe and effective treatments.

3. Expert analysis and interpretation of corona virus patents timeline including SARS CoV-2/ Covid-19 and implications that the Covid-19 pathogen was created through illegal gain of function in a laboratory in North Carolina and China and not from a person being bitten by a bat or was a virulent influenza virus camouflaged as Covid-19 and hyped by the media and certain government agencies through use of a fraudulent PCR test or was an unknown biosynthetic pathogen.

4. VAERS (vaccination early reporting system) data for United States and New Jersey showing record deaths and injuries caused by the Covid-19 vaccines.

5. V-Safe data indicting record deaths and injuries caused by Covid-19 vaccines.

6. Testimony of expert medical physicians before the Senate hearings indicating the brutal smears, harassment and professional injuries they have experienced for treating patients with repurposed drugs which are testified to as safe and effective.

7. Expert economic analysis of the impact of Covid-19 on the massive shift of wealth away from the middle class to the super-wealthy and select corporations.

8. Project Veritas Video exposing Pfizer fraud with boosters.

9. Video statement of inventor of PCR that they should not be used to test for live virus.

10. Videos and statements including Substack newsletters of medical analysis by professional researchers/investigators that the vaccines are bioweapons.

11. Independent, scientific laboratory analysis by doctors examining the vaccines with sophisticated electronic equipment revealing a nano-world with self-assembling parts and artificial intelligence, no informed consent given to have this scaffolding inserted into the human cells.

12. Videos and statements exposing the nano-world contained in the vaccines.

13. Movies documenting the psychological, physical and economic damage caused by Covid-19 pandemic protocols

14. Open letter to Dr. Fauci regarding beneficial use of hydroxychloroquine in treating Covid-19

15. Open Letter to the WHO regarding the dangers of Covid-19 vaccinations and requesting immediate banning.

16. Great Barrington Declaration, a petition signed by over 10,000 scientists concerning

devastating effects of lockdowns

15. Pfizer Clinical Trial Data showing “vaccines” were not safe and effective.

16. Comparative studies and articles on effectiveness and harms of masks from Childrens’ Health Defense Fund.

17. Microscopic examination of blood of vaccinated individuals showing a desiccation of the red blood cells.

18. Impact on life insurance claims, highest ever since introduction of vaccines.

19. Findings of funeral directors of synthetic blood clots, never seen before the introduction of vaccines.

20. Florida Grand Jury Petition investigating Covid-19 crimes.

21. Articles on Covid-19 virus and vaccines raising questions of the protocols the public was subjected to.

22. Testimony of numerous witnesses before the Corona Investigative Committee exposing the Covid pandemic as a criminal action.

23. Videos, articles and Substack newsletters showing the coordinating influence of the Department of Defense in implementing Operation Warp Speed.

These allegations and request for criminal investigation are non-partisan and should not be politicized. It appears, however that United States citizens experienced more Covid-19 vaccine deaths and serious adverse reactions from vaccines than anywhere else in the world. Why?

There also appears a treasonous clique in the United States government and corporations who would betray their country, their fellow countryman and the public trust to global interests who do not recognize National sovereignty, individual sovereignty or freedom. Not to address these crimes as attacks on the Nation State and its citizens is to opt for National suicide. These crimes will be repeated unless they are confronted and dealt with.

The **National American Renaissance Movement** hereby requests a Grand Jury criminal investigation.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom

loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
