***"Covidism: Contagious Deception"** is the most comprehensive documentary on COVID-19 as it thoroughly analyzes both the scientific and political aspects of this terrible crisis.*

The documentary was written and produced by **Bonum Vincit** (pseudonym), an independent Bulgarian film producer who prefers to remain anonymous.

It took the author almost 3 years and thousands of hours of meticulous research to make the movie.

Part 1 carefully examines how authorities worldwide have been gaming the numbers regarding cases, hospitalizations and deaths from the alleged coronavirus.

Part 1 also explains how health officials actively suppressed safe and effective treatments for Covid-19, while employing deadly protocols for hospital patients.

Part 2 focuses on the fascinating timeline of events, which led to the global Covid-19 response, and investigates whether or not the science on the lethality and infectivity of Sars-Cov-2 justified countermeasures such as lockdowns and mask-wearing.

Part 3 is a deep dive into the topic of Covid-19 vaccines, detailing the plethora of scientific evidence for their unsafe and ineffective nature, while exposing the deceptive tactics of manipulating the statistics.

Part 4 puts all the pieces of the puzzle together, exposing the premeditated sinister political motivations behind the global Covid-19 response, and how it is intricately tied to a much

larger agenda – The Great Reset.
