Google's new global censorship tool's purpose (found HERE) is to eliminate dissent on any topic Google selects.

Googles partners are the United Nations (UN), World Health Organization (WHO), plus 71 PAGES of other partners listed in the fine print on this website.

Google's algorithms are designed to delete websites that criticize topics such as:

- COVID-19 statistics

- the World Bank

- the FBI's crime statistics

- a one-world global government

- ...and many more
