Associated Press 2 January 2008

Editor's Note

Originally held in March, New Hampshire will be holding its "first-in-the-nation" primaries next week on January 8. The following is the result of TEST returns, released by the Associated Press.

They were not intended to be made public.

The most popular candidates, according to to the TEST returns are Edwards and Kucinich.

Global Research, 2 January 2008

These are TEST returns. They must not be broadcast or published.
