Global Research, January 03, 2024

We at Global Research extend our best wishes to everyone for 2024!

A new year has come yet our mandate is one and the same: to focus on the unspoken truth.

The burgeoning Palestinian solidarity despite of Zionist propaganda is a textbook example of the impact of independent reporting on truth-telling. It is through this that we remain grateful to our authors who take courage in the midst of threats and smears.

As you may already know, Global Research is 100% reader-supported. We are a no holds barred entity. Will you donate to our publication and enable us to continue with our mission?
