"Watch Out!"

"There is in all of us a retrograde desire to kill, to destroy, a love of the dark. And we have a lot of forces to keep us from doing it, most of the time.

And when a leadership arises in a country that believes that it can lead by using the darkness in man, it is probably unstoppable at a certain point.

"We have seen it in more than one place. The power over others and the willingness to destroy others, is very deep in the human mind." – Arthur Miller, Playwright (1915 – 2005)

New Zealand's Prime Minister, Jacinda Ardern, resigned on 18 January 2022, in the midst of the WEF Davos 53rd Conference.

PM Ardern is a graduate of the WEF's Young Global Leaders (YGL) program. She is – or was? – a favored "daughter" of Klaus Schwab. About at the same level as Justin Trudeau, PM of Canada. He too has been schooled, or better, brainwashed, by Schwab's Academy for Young Global Leaders.

They both have led among the most tyrannical covid lockdown policies worldwide. Their vaxx drive with biological killer-shots have brought death to thousands, perhaps tens of

thousands of people. Not covid but the killer-injections. They have clearly followed Schwab's, Gates', Rockefeller's, *et al*, eugenist agenda.

Ardern's and Trudeau's popularity has been sliding to levels that the mainstream cannot be truthful about.

Both of them belong to this privileged group that Klaus Schwab proudly refers to as *"We are proud having been able to infiltrate our Young Global Leaders into Governments around the world."*

Ms. Ardern's resignation is effective as of 7 February 2023.

Why did she choose the *2023 WEF Davos* event for announcing her resignation? She officially says the pressure has been too much.... Mainstream says, her "official" popularity has plummeted to about 35%, similar to Joe Biden's. The reality is probably much worse.

In the circus of neoliberal, covid and the lockdown crazy western leaders, 35% would be rather "good". Hence the reality may be life-threateningly low.

Does she no longer want to deal with "what's to come"? She must know. Death threats?

Or, has she been forced out, perhaps by the very WEF-man who put her in the NZ PM position in the first place? The timing of her resignation and her body language could well be sending a message in his direction.

The truth may come out sooner or later.

The new designated PM is current Education Minister, Chris Hipkins. The final approval by his Labor Party is just a formality. It is expected to happen on Sunday, 22 January 2023. Mr. Hipkins would have just over eight months in office, until the next General Election, planned for 14 October 2023. In this short time, Hipkins has to turn voters' interests back to Labor.

Not easy, after what Labor, in the name of Jacinda Ardern, has done to the people of NZ in the last three years.

Isn't it interesting, how around the world, In the so-called west, or Global North, as well as Latin America, most, if not all of these so-called leaders (sic), most if not all from the WEF's YGL-Academy, are so-called socialists or left-wingers?

Looks like this is the point, where in the extreme, left meets the extreme right and fuses into *neo-fascism*.

When nominated on Saturday, Hipkins said, *"I'm really humbled and really proud to be taking this on. It is the biggest responsibility and the biggest privilege of my life."*

He added, *"I like to think I'm pretty upfront and pretty straight with people. I'm decisive and I can get things done. People won't die wondering what I think."*

See this for more from [BNN Bloomberg](#).

Master Schwab has often made allegations to the effect that the future will be a "globalist socialism". Remember the infamous ending of Schwab's Great Reset – *"You will own nothing but will be happy"*. That's kind of a neo-Nazi doctrine: *You behave and we will take care of you*.

It's George Orwell's 1984 at its best. Dystopia, so well disguised, you'll love it. You will even believe, that war is actually to bring about Peace.

*

Mr. Hipkins has a reputation that fits exactly this profile.

He earned his reputation during the COVID pandemic, when he became the authoritarian crisis manager, Ms. Ardern often sought advice from, when confronted with difficult covid and lockdown situations.

In July 2021, Hipkins warned that the government will start tracking down individuals who haven't "come forward" to take the COVID jab.

"I think early next year we'll be in the phase of chasing out people who haven't come forward to get their vaccination, or missed their bookings and so on," Hipkins then told reporters.

"I want every New Zealander to come forward, but human behavior suggests that there will be some people that we actually have to really go out and look for, and some of that may spill into next year...."

Hipkins asserted the government will essentially hunt down unvaccinated individuals, claiming normal "human behavior" suggests many people won't willingly take the mRNA vaccine. He added, ***"In fact, everyone WILL get the vaccine."***

The new prime minister of [#NewZealand](#) [#ChrisHipkins](#) Remember what he said before? If you are not jabbed we will come looking for you!! So if you thought [#jacindaardern](#) was crazy enough... look what [#NewZealand](#) has now... pic.twitter.com/FWPAKYhguQ

When asked about his future covid and other "crisis" management policies – like high inflation, global climate change – the declining economy, Hipkins is careful not to make any commitments at this point. After all, his ambitions are to win the next October General Elections.

See [this](#).

It is, however, fairly clear that Mr. Hipkins has to find ways to make his PM performance attractive enough for people to turn back to Labor, yet be clever enough conforming to the global narrative of total control.

NZ and Canada may be test-cases of how far global tyranny may go, before mass upheavals of resistance may put the Reset and 2030 Agenda at risk – and destroy it.

Let's hope and work towards accelerating the downfall of the Death Cult masters, WEF and its allies of Darkness, conglomerate finance, NATO and the *Deep State West*.
