In-depth Report: [SYRIA](#)

Global Research Editor's Note:

First published in May 2015, this article reveals not only that the ISIS is a creation of US intelligence, it also confirms that the Caliphate Project was designed in Washington.

More broadly, it suggests that “the Global War on Terrorism” is “Made in America”.

See Screenshots Below from the title page as well as excerpts:

“... there is the possibility of establishing a declared or undeclared Salafist Principality in eastern Syria (Hasaka and Der Zor), and this is exactly what the supporting powers to the opposition want, in order to isolate the Syrian regime ” (Washington Blog, see below)

Judicial Watch has – for many years – obtained sensitive U.S. government documents through freedom of information requests and lawsuits.

The government just produced [documents](#) to Judicial Watch in response to a freedom of information suit which show that the West has long supported ISIS.

[Download the declassified documents here](#)

The documents were written by the U.S. Defense Intelligence Agency on August 12, 2012 ... [years before](#) ISIS burst onto the world stage.

Here are screenshots from the documents. We have highlighted the relevant parts in yellow:

A. INTERNALLY, EVENTS ARE TAKING A CLEAR SECTARIAN DIRECTION.

B. THE SALAFIST, THE MUSLIM BROTHERHOOD, AND AQI ARE THE MAJOR FORCES DRIVING THE INSURGENCY IN SYRIA.

C. THE WEST, GULF COUNTRIES, AND TURKEY SUPPORT THE OPPOSITION; WHILE RUSSIA, CHINA, AND IRAN SUPPORT THE REGIME.

Why is this important? It shows that extreme Muslim terrorists – [salafists](#), Muslims Brotherhood, and AQI (i.e. Al Qaeda in Iraq) – have *always* been the “major forces driving the insurgency in Syria.”

This verifies what the alternative media has been saying for years: there [aren't any moderate rebels](#) in Syria (and see [this](#), [this](#) and [this](#)).

The newly-declassified document continues:

TRAIN THEM ON THE IRAQI SIDE, IN ADDITION TO HARBORING REFUGEES (SYRIA).

C. IF THE SITUATION UNRAVELS THERE IS THE POSSIBILITY OF ESTABLISHING A DECLARED OR UNDECLARED SALAFIST PRINCIPALITY IN EASTERN SYRIA (HASAKA AND DER ZOR), AND THIS IS EXACTLY WHAT THE SUPPORTING POWERS TO THE OPPOSITION WANT, IN ORDER TO ISOLATE THE SYRIAN REGIME, WHICH IS CONSIDERED THE STRATEGIC DEPTH OF THE SHIA EXPANSION (IRAQ AND IRAN).

D. THE DETERIORATION OF THE SITUATION HAS DIRE CONSEQUENCES ON THE IRAQI SITUATION AND ARE AS FOLLOWS:

--1. THIS CREATES THE IDEAL ATMOSPHERE FOR AQI TO RETURN TO ITS OLD POCKETS IN MOSUL AND RAMADI, AND WILL PROVIDE A RENEWED MOMENTUM UNDER THE PRESUMPTION OF UNIFYING THE JIHAD AMONG SUNNI IRAQ AND SYRIA, AND THE REST OF THE SUNNIS IN THE ARAB WORLD AGAINST WHAT IT CONSIDERS ONE ENEMY, THE DISSENTERS. ISI COULD ALSO DECLARE AN ISLAMIC STATE THROUGH ITS UNION WITH OTHER TERRORIST ORGANIZATIONS IN IRAQ AND SYRIA, WHICH WILL CREATE GRAVE DANGER IN REGARDS TO UNIFYING IRAQ AND THE PROTECTION OF ITS TERRITORY.

Yes, you read that correctly:

... there is the possibility of establishing a declared or undeclared Salafist Principality in eastern Syria (Hasaka and Der Zor), and this is exactly what the supporting powers to the opposition want, in order to isolate the Syrian regime
....

In other words, the powers supporting the Syrian opposition – the West, our Gulf allies, and Turkey *wanted* an Islamic caliphate in order to challenge Syrian president Assad.

Sure, [top U.S. generals](#) – and vice president [Vice President Joe Biden](#) – have said that America's *closest allies* support ISIS. And mainstream American media have called for [direct support of ISIS](#).

But the declassified DIA documents show that the U.S. and the West supported ISIS at its *inception* ... as a way to isolate the Syrian government. And [see this](#).

This is a big deal. A former British Army and Metropolitan Police counter-terrorism intelligence officer and a former MI5 officer [confirm](#) that the newly-released documents are a smoking gun.

This is a train wreck [long in the making](#).
