Today, the United Nations Security Council is holding consultations on the future of Haiti. No Haitian individuals or organizations will be present at the meeting. Instead, Haiti will be represented by its occupying entities: The Core Group and the United Nations Integrated Office in Haiti (BINUH), the mandate of which is set to expire on July 23.

The Haiti/Americas Team of the Black Alliance for Peace (BAP) and BAP member organization in Haiti, MOLEGHAF (Mouvement National pour la Liberté et L'égalité des Haïtiens pour la Fraternité or National Movement for Liberty and Equality of Haitians for Fraternity), denounce the Core Group's and BINUH's continued occupation of Haiti as well as their ongoing actions to undermine Haiti's democracy and sovereignty.

Over the past year, we have witnessed massive popular protests that have been part of a broader struggle for a Haiti free from suffocating foreign interference. That includes manufactured "gang violence" and the illegitimate government installed by the United States and the Core Group. Yet, those speaking on behalf of Haiti refuse to recognize the core demands of the people for democracy, sovereignty and a just life.

BINUH and the Core Group do not represent Haitian people. Haitian people consider these entities occupation forces. BAP and MOLEGHAF have consistently demanded the Core Group and the so-called "International Community" acknowledge and atone for their role in the continuing deterioration of the situation in Haiti today.

As we have continually stated, the "crisis" in Haiti is a crisis of imperialism, a crisis initiated in 2004 by the United States, France and Canada, and consecrated by the United Nations. No decision about Haiti should be made by those who not only do not represent the people,

but have also consistently harmed them.

Once again, we demand the disbanding of the Core Group, the removal of the BINUH office from Haiti, respect for the sovereign rights of the Haitian people, and NO MORE FOREIGN INTERFERENCE IN HAITI!
