On January 16, 2018, the World Socialist Web Site will video livestream a discussion on Internet censorship, featuring Pulitzer Prize-winning journalist Chris Hedges and WSWS International Editorial Board Chairperson David North. WSWS reporter Andre Damon will moderate the discussion.

The webinar will explore the political context of the efforts to censor the Internet and abolish net neutrality, examine the pretexts used to justify the suppression of free speech (i.e., "fake news"), and discuss political strategies to defend democratic rights. Hedges and North will also field questions from on-line listeners.

The webinar will be streamed live by the WSWS on YouTube and Facebook on Tuesday, January 16 at 7:00 pm EST (midnight in London, 1:00am in Berlin, 3:00am in Moscow and 11:00 am January 17 in Sydney. [Full Time Zone Conversions](#)).
