*According to the [Israeli] Hebrew media, the Israeli police's initial investigation proved that **Israeli helicopters bombed the Israeli civilians who participated in the nature party** on Oct. 7 [2023] (sic., refers to Nov. 18, 2023 Haaretz report that one Israeli army helicopter firing at Hamas terrorists may have accidentally also hit some Israeli civilians; the [Israeli] police have denied this report).*

*This means that **Israeli military aircraft caused great destruction in the area and in some of the settlements** (i.e., Israeli towns near the Gaza Strip), after the so-called 'Hannibal Directive' was activated, which allows the occupation police and occupation army to kill everyone (sic., the directive calls to prevent the capture of Israeli soldiers even at the risk of harming Israeli forces).*

Therefore, the ministry thinks that the conclusions of the aforementioned investigation cast **doubt on the Israeli versions regarding the destruction and killing that took place in that area, especially on everything concerning the images and videos showing the destruction and the fires that broke out in many houses as a result of this bombing.**

The ministry demands that all media outlets, senior UN officials, and heads of state monitor this topic, show interest in the Hebrew media publications on the topic, and reexamine their positions in light of this.

الخارجية والمغتربين // التحقيق الأولي للشرطة الإسرائيلية يكشف زيف المواد الاعلامية التي فبركها الاحتلال لتبرير عدوانه على قطاع غزة

وفقاً للإعلام العربي ثبت التحقيق الأولي للشرطة الإسرائيلية قيام مروحيات إسرائيلية بقصف المدنيين الإسرائيليين في السايغ من أكتوبر الذين كانوا قد شاركوا في مهرجان الطبيعة، بما يعني أن الطور الحربي الإسرائيلي خلف دماراً كبيراً في المنطقة وجزء من المستوطنات بعد أن تم تفعيل ما يسمى بروتوكول "هانيبال" الذي يمكن شرطة وجيش الاحتلال من قتل الجميع.

وبناء على ذلك، تعتبر الوزارة أن نتيجة هذا التحقيق لشكك بالروايات الإسرائيلية بشأن الدمار والقتل الذي وقع في تلك المنطقة، خاصة ما يتعلق بالصواريخ والتفجيرات التي تعكس التدمير والخراب التي نشبت في العديد من المنازل نتيجة هذا القصف.

تطالب الوزارة جميع وسائل الإعلام والمسؤولين الأميين وقادة الدول بتتبع هذه القضية والاهتمام بما نشره الإعلام العربي حوثاً ومراجعة مواقفها في ضوء ذلك.
