Bernie Sanders is a self-declared Democratic Socialist who believes that the US middle class and the working families who produce the wealth of America, deserve a decent standard of living. He believes that international trade agreements as written by corporate America, Wall Street and the political lobbyists, have been a disaster for the American worker. He advocates comprehensive financial reforms that will focus on income and wealth inequality.

Sanders was a strong opponent of the US invasion of Iraq and the misconceived Bush 'war on terror'. He is a strong advocate for a two-state solution in the Palestine-Israel conflict. This means that he is opposed to the right-wing extremist policies of the Netanyahu Likud government and its agenda of illegal settlements in the Occupied Territories. Mr Sanders is no fan of Binyamin Netanyahu and, therefore, no fan of AIPAC, the Israel lobby.

He advocates a crackdown on police brutality and bold action to reverse global warming. Bernie Sanders describes himself as a secular Jew and is proud to be Jewish. His wife is Roman Catholic. They believe that they cannot turn their backs on the suffering of other people. That is not Judaism or Roman Catholicism and he has denounced institutional racism.

The result in New Hampshire is a defence for an American democracy that has for too long been hijacked by the powerful lobbies for Israel and other vested interests.
