The 9/11 Commissioners and Other Officials Don't Believe the Government

The 9/11 Commissioners and congressional investigators into 9/11 [themselves don't believe the government's description of events](#).

[Much of the world](#) doesn't believe the official story.

Mental Health Professionals Say that Questioning 9/11 Is the Sane Thing To Do

Many mental health professionals have concluded that the official version of 9/11 is false, and that those who believe the official version suffer from defense mechanisms. For example:
