Take Action

1 » Report George W. Bush as a person likely to try to enter Canada contrary to section 35 of the Immigration and Refugee Protection Act.

The Canadian Border Service Agency runs a Border Watch Toll-free line. Their website advertises:

“If you have information about suspicious cross-border activity, please contact the Canada Border Services Agency **Border Watch Toll-free Line at 1-888-502-9060.**”

George Walker Bush, born July 6, 1945 is likely to try to cross the border into Canada on or about October 18 to 20th 2011 to attend an event in Surrey British Columbia. Mr. Bush has admitted to authorizing and approving the widespread use of torture by the U.S. Armed Forces and the CIA. There are reasonable grounds to believe that George W. Bush, as the President of the United States of America and Commander in Chief of the U.S. Armed Forces between 2001 and 2009, counselled, aided and abetted the commission of torture and other war crimes and crimes against humanity in Iraq, Afghanistan and other locations. Experts estimate that in Iraq alone, over a million innocent men, women and children have died as a consequence of the illegal U.S.-led war on Iraq authorized and directed by George W. Bush.

N.B. the website indicates that CBSA has discretion to provide a reward for information.
