Founded in 1971, the Geneva-based World Economic Forum (WEF) meets annually in Davos, Switzerland.

It brings together top business and political leaders, along with likeminded pro-New World Order economists and pseudo-journalists.

Calling itself “an independent international organization committed to improving the state of the world by engaging leaders in partnerships to shape global, regional and industry agendas” is cover for its diabolical agenda.

The WEF’s Great Reset about to be formally rolled out aims to establish ruler-serf societies worldwide.

It wants ordinary people exploited serve the privileged few worldwide that goes beyond what Orwell and Huxley imagined.

It’s a diabolical scheme promoted by the WEF’s executive chairman Klaus Schwab — a dystopian nightmare wrapped in deceptive equitable socioeconomic rhetoric.

Made-in-the-USA covid (renamed seasonal flu/influenza) that unleashed lockdowns, quarantines, social distancing, and harmful to human health mask-wearing caused unprecedented economic collapse in the US, West, and elsewhere.

Events of last year — continuing in 2021 with no end of them in prospect — were planned by dark forces before unleashed on unsuspecting billions of people worldwide.

For Schwab and likeminded extremists, what's going on is a "unique window of opportunity" for global leaders to reshape "global relations...national economies, the priorities of societies, the nature of business models, and the management of a global commons..."

Instead of serving "the dignity" and interests "of every human being," it intends exploiting them.

The Great Reset is an updated new world order, a diabolical socioeconomic "revamp" worldwide.

If achieved, life as once existed will be replaced by Dante's Hell.

According to upcoming late January Davos Agenda propaganda:

"The (covid) pandemic has demonstrated that no institution or individual alone can address the economic, environmental, social and technological challenges of our complex, interdependent world (sic)."

"The pandemic has accelerated systemic changes that were apparent before its inception (sic)."

"The fault lines that emerged in 2020 now appear as critical crossroads in 2021 (sic)."

"The time to rebuild trust (sic) and to make crucial choices is fast approaching as the need to reset priorities and the urgency to reform systems (sic) grow stronger around the world (sic)."

"The Davos Agenda is a pioneering (sic) mobilization of global leaders to shape the principles, policies and partnerships needed in this challenging new context (sic)."

"It is essential for leaders from all walks of life to work together virtually for a more inclusive, cohesive and sustainable future as soon as possible in 2021 (sic)."

Seven diabolical themes that pretend to be beneficial for societies and their people are worlds apart from what's claimed.

They include the following:

"How to save the planet" by plundering it for maximum profit-making.

Exploitive economies masquerading as "fairer" ones.

"Tech" for pure evil called "good."

"Socit(ies) & future of work" to be under ruler-serf rules worldwide.

"Better business" by maximum exploitive harshness.

Unhealthy “futures” pretending to be the other way around.

“Beyond geopolitics” pretending that “we’re all in this together.”

Calling for “nations...to change” is code language for promoting abolition of sovereign rights according to the rule of law.

Late January Davos Agenda will formally launch exploitive Great Reset policies to be exposed, condemned and opposed.

A Final Comment

Great Reset New World Order policies include digital mass-surveillance worldwide.

It calls for monitoring virtually everything about our daily lives to control them.

Pretending to support “sustainable development” and “stakeholder capitalism” is polar opposite what’s planned.

Great Reset policies aim to more greatly empower wealth, power and privileged interests at the expense of ordinary people worldwide.

It promotes global control by and exploitation of most people by their privileged few masters.

Great Reset pusher Schwab called for “not letting (made-in-the-USA covid and economic collapse) go to waste.”

Selling it involves mass deception because understanding what’s planned would assure mass-rejection.

Nothing intended will improve public health, welfare, safety and societies fit to live in — just the opposite.

The WEF’s slogan “build back better” is mass deception to disguise what’s diabolically planned.

Reject and resist are the only options.

The alternative is Great Reset New World Order enslavement by a higher power that’s hostile to a safe and and fit to live in world.
