The Syrian army is preparing for offensive actions against Al Nusra and ISIS near the town of Al-Rastan. In the recent interview, the Commander of the 147th Syrian tank brigade said that they coordinate perfectly with the Russian forces providing them intelligence and air support.

According to the government sources, over 450 militants from the Free Syrian Army (FSA) and another 250 people wanted by governmental authority have turned themselves into the Syrian Security Forces at the provincial capital of the Dara'a Governorate (Dara'a city). There are no confirmed reports about the reasons of such activity, but anybody can easily suppose why they did this. Meanwhile, the Syrian Air Force struck the Syrian Al-Qaeda group "Jabhat Al-Nusra" and their allies from the FSA around the city of Busra Al-Sham.

On Saturday morning, the Russian Aerospace Defence Forces (VKO) targeted the Jaysh Al-Fateh (Army of Conquest) militant group positions in the Idlib Governorate: Mardeij, Ma'arat Al-Nu'man, Jisr Al-Shughour, Saraqib and Sarmeen.

Separately, the Russian Air Force's destroyed a command-and-control center of Jabhat Al-Nusra at Saraqib.

Russian warplanes conducted a reconnaissance flight above the Al-Ghaab Plains of the Hama Governorate. This could be a feature of the future military activity in this sector.

ISIS has been targeted by the Russian warplanes at the city of Al-Raqqa sector at least 25 times and each time. This includes the Tabaqa Military Airport and Tabaqa National Hospital turned into the ISIS' primary military base and headquarters in Al-Raqqa.

Recently, the VKO has targeted the terrorist group inside the Deir Ez-zour Governorate. The ISIS positions along the imperative Deir Ezzor-Raqqa International Highway and Al-Mayadeen-Deir Ez-zour Road were destroyed.

The Russian Aerospace Defence Forces has conducted more than 60 flights and bombed over 50 Islamic State targets in three days. According to the Lieutenant General Andrey

Kartapolov, head of the Main Operation Directorate of the General Staff of Russia's armed forces, the strikes have significantly reduced the terrorists' combat capabilities.
