PARIS, Nov 13 (Reuters) – The U.S. dollar can no longer claim to be the only currency in the world, French President Nicolas Sarkozy said on Thursday ahead of a Washington meeting of G20 leaders to discuss the international financial system.

‘I am leaving tomorrow for Washington to explain that the dollar cannot claim to be the only currency in the world..., that what was true in 1945 can no longer be true today,’ he said at a prizegiving ceremony.
