"This is the highly sought after secret 'final' agreed version of the TPP (Trans-Pacific Partnership) Chapter on Intellectual Property Rights. There is still a finishing 'legal scrub' of the document meant to occur, but there are to be no more negotiations between the Parties. The TPP Parties are the United States, Mexico, Canada, Australia, Malaysia, Chile, Singapore, Peru, Vietnam, New Zealand and Brunei Darussalam.

The treaty has been negotiated in secret by delegations from each of these 12 countries, who together account for 40% of global GDP. The Chapter covers the agreed obligations and enforcement mechanisms for copyright, trademark and patent law for the Parties to the agreement. The document is dated October 5, the same day it was announced in Atlanta, Georgia USA that the 12 nations had managed to reach an accord after five and half years of negotiations. " Wikileaks
