[WEF “Global Solutions”, But for Whom? The WEF Prescribed “Climate Activism”](#)

By [Michael Welch](#), [Peter Koenig](#), [Julian Rose](#), and [Elizabeth Woodworth](#), January 27, 2024

Is it a question of business and financial leaders adding their expertise to the problems facing the world to advance answers for the governments of the world? Or is it the other way around?

[No More Research on Cellphone Radiation and Human Health, Government Says](#)

By [Dr. Suzanne Burdick](#), January 29, 2024

As The Defender [previously reported](#), NTP researchers in 2018 concluded there was “clear evidence” that [male rats exposed to high levels of RF](#) similar to those emitted by 2G and 3G cellphones developed cancerous heart tumors, and “some evidence” of tumors in the brain and adrenal gland of exposed male rats.

[Carbon Dioxide \(CO₂\): “The Gas of Life”](#)

By [Dr. Joseph Mercola](#), January 28, 2024

The topic: carbon dioxide (CO₂), commonly mischaracterized as a harmful waste product of respiration and a pollutant that is disrupting the planetary climate. As explained by Happer in this lecture, CO₂ is actually an essential gas necessary for life. Moreover, its impact on Earth’s temperatures is negligible, and will remain negligible even if the current concentration in the atmosphere were to double.

[“The Arabs – A History”](#)

By [Jim Miles](#), January 28, 2024

While the genocide has raged on in Gaza I have been reading Eugene Rogan's large work simply titled *The Arabs – A History*. It is generally well written in an academic textbook manner, a political outline of the trials and tribulations of the Arab people viewed mostly through the political-military-financial manipulations of the rulers of the region. That overlaps fully with the political-military-financial manipulations of the empires and outside authorities interested in controlling the region for various reasons.

[Canadian Truckers Score Big Victory Over Trudeau in Federal Court](#)

By [Michael Nevradakis](#), January 28, 2024

In a historic decision, [Canada's Federal Court](#) on Tuesday ruled the Canadian government's use of the [Emergencies Act](#) in 2022 to disperse truckers protesting the government's COVID-19 vaccine mandates was "unreasonable" and violated several articles of the [Canadian Charter of Rights and Freedoms](#).

[On Holocaust Remembrance Day, JVP Descendants of Survivors Call for an End to the Israeli Government's Genocide of Palestinians](#)

By [Jewish Voice for Peace](#), January 28, 2024

The Israeli government has made very clear its intent to destroy Palestinian life in Gaza. To justify this horrific violence, the Israeli government has shamelessly manipulated Holocaust trauma. As descendants, we are outraged that the memory of our ancestors is being used to justify the same kind of horror being inflicted on others. We cry out against this genocidal assault: Not in our name!

[From the Siege of Leningrad to the Siege of Gaza: Colonialist Mentality](#)

By [Prof. Yakov M. Rabkin](#), January 28, 2024

Eighty years ago, on January 27, 1944, people in the street were hugging each other and weeping with joy. They were celebrating the end of a nearly 900 days brutal siege. Soviet forces lifted the siege of Leningrad after ferocious battles. Exactly a year later they liberated Auschwitz. Even today, walking in Saint-Petersburg's main avenue, the Nevsky Prospect, one notices a blue sign painted on a wall during the siege: "Citizens! This side of the street is the most dangerous during artillery shelling".

[Non-Aligned Movement Summit in Uganda Condemns Genocide in Palestine](#)

By [Abayomi Azikiwe](#), January 27, 2024

This year the Non Aligned Movement is chaired by Uganda's President Musaveni who happens to be a faithful and longstanding proxy of the U.S. From the mid-1980s, the Kampala government under President Yoweri Musaveni had become Washington's African showpiece of "democracy". Uganda had also become a launchpad for US sponsored guerrilla movements into the Sudan, the Congo and Rwanda.

[Tucker Carlson Surveys the Ruins of Canada After Eight Years of Trudeau](#)

By [Prof. Anthony J. Hall](#), January 26, 2024

Carlson's visit comes just as Federal Judge Richard Mosley has condemned the Trudeau government's invocation of the Emergency Act in February of 2021. The Emergency Act basically halted the normal operations of the Canadian government. The most recent incarnation of the War Measures Act allowed Trudeau and his main handler, Deputy PM Chrystia Freeland, to notoriously seize the bank accounts of Truckers from across Canada.
