[Video: ‘There are 25+ US-funded Biolabs in Ukraine’: Tulsi Gabbard](#)

By [Rep Tulsi Gabbard](#) and [OpIndia](#), March 15, 2022

The former US Congresswoman Tulsi Gabbard Sunday posted a [video](#) on Twitter reiterating claims about US-funded Biolabs in Ukraine. Expressing concerns over the “inadvertent or intentional” breach of these dangerous pathogens, Gabbard called for an immediate ceasefire around these US-funded laboratories in Ukraine.

[Police Killings Continue While the Biden Administration Calls for More Funding to Law-Enforcement](#)

By [Abayomi Azikiwe](#), March 16, 2022

In Minneapolis, Mayor Jacob Frey, who was in office at the time of the murder of Floyd and the subsequent rebellions in the city and around the country, has now issued a proposal to ban “No-Knock Warrants”.

[Video: Shocking Findings in the CDC Data on Excess Mortality: Edward Dowd](#)

By [Alexandra Bruce](#), March 15, 2022

Millennials actually saw the highest increase in excess deaths of any other age group, due to the mandates imposed upon them, in order to keep their jobs, 7 times higher than the Silent Generation (those aged 85+).

[Far-right Extremists in Ukraine Brag They Have Received Training from the Canadian Forces: Report](#)

By [David Pugliese](#), March 15, 2022

The study from an institute at George Washington University in Washington, D.C., tracked social media accounts of the far-right group Centuria, documenting its Ukrainian military members giving Nazi salutes, promoting white nationalism and praising members of Nazi SS units.

### [West Pressures Thailand to Take Their Side Against Russia](#)

By [Brian Berletic](#), March 15, 2022

In a bid to pressure the Thai government over Ukraine and Russia, the same Western-backed opposition groups and media platforms attempting to overthrow the current Thai government for years, is now being mobilized to poison the Thai public against Russia and the Thai government for not taking a firm stance alongside (or perhaps at the feet of) the West.

### [Putin's Brave New World: Russia's Objectives in Ukraine, and What They Mean for the West](#)

By [Nicholas Meyers](#), March 15, 2022

If we consider that Russia's borders will inevitably be redrawn following the military intervention, and sections of what are currently modern-day Ukraine will reside within those new borders, it would perhaps seem more realistic to expect that Putin does not intend to "occupy" all of Ukraine.

### [Supreme Court Says Torture at CIA Black Site Is a "State Secret"](#)

By [Prof. Marjorie Cohn](#), March 15, 2022

Former CIA Director Mike Pompeo wrote in a declaration that although the enhanced interrogation techniques are no longer classified, the location of the CIA black site in question remains a state secret. Pompeo maintained that soliciting information about the involvement of Polish nationals in Zubaydah's treatment could compromise national security.

### [Who Actually Caused this War in Ukraine?](#)

By [Eric Zuesse](#), March 15, 2022

Because of your [underlying assumption that ONLY WRITTEN agreements count](#), I just now did some research on whether America's now having unilaterally cancelled Russia's membership in the WTO (World Trade Organization) so as to be able to tariff at sky-high rates Russian imports into the U.S. is legal. America is a *signed member* of WTO, and so is Russia.

### [The Thousands of Fetal Deaths Recorded After COVID-19 Vaccines that Nobody Wants to Report and that Facebook Is Trying Hard to Censor](#)

By [Brian Shilhavy](#), March 15, 2022

The U.S. Government's Vaccine Adverse Events Reporting System (VAERS) database was updated this past Friday, March 11, 2022, and it is now reporting that there have been 1,168,894 cases of injuries and deaths following COVID-19 vaccines since December of 2020, when the FDA issued emergency use authorizations for the COVID-19 vaccines.

### [Pfizer Pushes for 4th Shot, Says 3 Doses 'Not That Good' Against Infections](#)

By [Megan Redshaw](#), March 15, 2022

Pfizer CEO Albert Bourla on Sunday said the vaccine maker plans to submit data on a fourth dose of its COVID-19 vaccine to the U.S. Food and Drug Administration because protection after three doses is "not that good against infections" and "doesn't last very long" when faced with a variant like Omicron.
