By [South Front](#), December 06, 2023

Despite the efforts of military commissars to hunt for new soldiers on the streets, the mobilization efforts in Ukraine have failed. The Ukrainian army is suffering from a shortage of personnel. The number mobilized no longer covers the losses at the front. While the number of women in Ukrainian trenches has already decreased, Kiev sends children to the battlefield.

By [Prof. Bill Willers](#), December 06, 2023
