Global Research, September 13, 2017

Sixteen years ago, Bush officially launched the “Global War on Terrorism”, paving the way for a war without borders. The corporate media backed this illegal act of war which in turn galvanized the public for immediate support. Did Americans unhesitatingly buy the allegations that Al-Qaeda masterminded the WTC attack and that Osama bin Laden was the number one enemy of the Western world?

After 16 years of unrelenting debunking of the 9/11 official narratives by genuine progressive activists, do Americans still believe what their government told them?

Below is a selection of articles.

Sixteen years later, the propaganda campaign seeks to “infiltrate” the 9/11 Truth movement by bringing in the notorious 28 pages. What is now occurring is that Al Qaeda did it, but they were supported by Saudi Arabia (according to the 28 pages), all of which is meant to dispel the fact amply documented that Al Qaeda did not have the ability to bring down the towers and that Al Qaeda has been supported from the outset by the CIA. The towers were brought down through controlled demolition.
