[AI Is Starting to Scare People - And So It Should!](#)

By [Julian Rose](#), March 11, 2024

There's no doubt that man has always had an instinct for material inventiveness and a fascination in advancing technological developments – coupled with a desire to make things go ever faster. But this has now taken us to a place where, if what it means to be human is to be respected, one should dare go no further.
