[All of Us Are in Danger: When Anti-Government Speech Becomes Seditious](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), October 06, 2022

In more and more cases, the government is declaring war on what should be protected political speech whenever it challenges the government's power, reveals the government's corruption, exposes the government's lies, and encourages the citizenry to push back against the government's many injustices.

[Justice for the Vaccinated](#)

By [Dr. Mark Trozzi](#), October 06, 2022

[Bright Light News Reports:](#) Drs. Charles Hoffe and Stephen Malthouse, Canadian doctors vilified for daring to uphold their oath and share the truth about Covid-19 "vaccines," join co-founder Cris Vleck, [vaxjustice.org](#), to give a voice and support to those who did what they were asked: get "vaccinated" to protect themselves and others to stop the "pandemic."

[Defeat or Victory? The War on Afghanistan \(2001-2021\)](#)

By [Michael Welch](#), [Prof Michel Chossudovsky](#), [Prof. John Ryan](#), and [Prof Rodrigue Tremblay](#), October 06, 2022

On this sad anniversary week, the Global Research News Hour intends to reflect on the origins behind the chaos which seems to be as remote now as it was back in 2001 when the venture against terror was established. We'll also look to the future of the country with the U.S. and company hi-tailing it away from there.

[Russia Officially Claims Ownership of Ukraine Nuclear Plant](#)

By [Charles Kennedy](#), October 06, 2022

Russian President Vladimir Putin has decreed Ukraine's Zaporozhye Nuclear Power Plant is a Russian federal asset, absorbing all facilities and employees as the Kremlin's push in the east loses momentum against Ukrainian forces.

[Video: Threat for Russian Military on Ukrainian Front Lines](#)

By [South Front](#), October 06, 2022

Fighting reached the territory of the LPR. The Ukrainian Army is advancing on the left bank of the Oskol River. Most recently, they claimed control of the villages of Borovskaya Andreevka and Boguslavka which is a clear sign that they are strengthening their foothold for an attack in the eastern direction.

[Kosovo and Metochia: Who Was Suppressing Whom?](#)

By [Dr. Vladislav B. Sotirović](#), October 06, 2022

Southern Serbia's autonomous province of Kosovo and Metochia (KosMet) has been subject to a gradual, but a permanent change of its demographic content during the time of Titoslavia (Socialist Yugoslavia, 1945–1991). Three principal factors were crucial to the drastic demographic change in this Serbian province in favor of ethnic (Muslim) Albanians and at the expense of ethnic (Christian Orthodox) Serbs and Montenegrins.

[Kharkov and Mobilization: “Tactical Victory for Ukraine, Strategic Victory for Russia”. Jean Baud](#)

By [Jacques Baud](#), October 06, 2022

The recapture of the Kharkov region at the beginning of September appears to be a success for Ukrainian forces. Our media exulted and relayed Ukrainian propaganda to give us a picture that is not entirely accurate. A closer look at the operations might have prompted Ukraine to be more cautious.

[The Liz Truss Disaster Show](#)

By [Dr. Binoy Kampmark](#), October 07, 2022

Chancellor Kwasi Kwarteng's “mini-Budget” delivered on September 30, designed to evade

the eagles at the Office of Budget Responsibility, was greeted with shock from the market boys and girls to the chattering classes. The Bank of England took it upon itself to exercise some sober restraint in the face of rampant fiscal recklessness.

[Three New Studies Add to Mounting Evidence That COVID Vaccines May Not be Worth the Risk](#)

By [Dr. Suzanne Burdick](#), October 06, 2022

Two new studies — one about thyroid eye disease and one about encephalitis — highlighted negative health outcomes associated with COVID-19 vaccination, and a third study suggested the [COVID-19](#) vaccine provided only 15% protection against the risk of “long COVID.” Taken together, the studies highlight the fact that COVID-19 vaccines are associated with serious risks for some, while their protective benefit has been overestimated.

[US Officials Admit Weapons Supplied to Kiev Could Reach Russian Territory](#)

By [Lucas Leiroz de Almeida](#), October 06, 2022

The US insists on escalating the situation in Ukraine and deteriorating the global security crisis. On October 4, the US government announced another package of military aid to Kiev, valued at more than 625 million dollars.
