[America's Perpetual War: Six Questions](#)

By [Prof. Joseph H. Chung](#), June 12, 2023

Former American President Jimmy Carter said in 2018 that in America, there were 226 years of wars since its independence which took place 242 years ago thus leaving only 16 years of peace. Since WWII, there were 32 American military conflicts involving dozens of countries. Some of these military conflicts have lasted for over twenty years and some others are still continuing.

[VAERS Is Cleverly Hiding 182 Child Deaths Caused by COVID-19 Vaccines. You'll Never Find Them. These Are Some of the Most Shocking COVID-19 Vaccine Child Death Stories But They're Hidden From Public!](#)

By [Dr. William Makis](#), June 13, 2023

There are at least 182 children who died from COVID-19 vaccines hidden in the VAERS database, that don't show up when you search for child vaccine deaths.

[WHO Launches Digital Health Partnership with Europe](#)

By [Dr. Joseph Mercola](#), June 13, 2023

June 5, 2023, the World Health Organization and the European Commission announced the launch of a digital health initiative in which the WHO will establish a global COVID-19 vaccination certification system based on the European Union's (EU) already existing Digital COVID Certificate.

[Eurasian Geopolitics Versus Imperialism](#)

By [Martin Martinelli](#), June 12, 2023

Since unipolarity, the United States led invasions in the Middle East, North Africa and Central Asia, in addition to increasing the siege towards China and Russia. From 2001 to the present, the 2008 crisis is the watershed. The second decade of the current century witnessed Russia's reincorporation into world decision-making power through its war machine and China's resurgence through the scope of its economic potential.

[The Hegemon Will Go Full Hybrid War Against BRICS+](#)

By [Pepe Escobar](#), June 12, 2023

U.S. Think Tank Land hacks are not exactly familiar with Montaigne: "On the highest throne in the world, we still sit only on our own bottom." Hubris leads these specimens to presume their flaccid bottoms are placed high above anyone else's. The result is that a trademark mix of arrogance and ignorance always ends up unmasking the predictability of their forecasts.

[Kiev's NATO-Backed Counteroffensive Is the West's Most Important Military Campaign Since WWII](#)

By [Andrew Korybko](#), June 12, 2023

This is the first time since then that they've conventionally fought a military peer, albeit by proxy for now. Even so, the West is still receiving the large-scale data that they require in order to fine-tune their plans ahead of possibly waging a direct war against one.

[How Does Technology Factor in for US Militarism Toward China?](#)

By [Wei Ling Chua](#) and [Kim Petersen](#), June 12, 2023

The United States is about militarism. Its economy is largely based on the military-industrial complex. It has hundreds upon hundreds of military bases in lands around the planet. Yet, despite a bloated military budget, the US fails to care for all its citizens, certainly not the millions of homeless, poor, and those unable to afford medical procedures because they are without medical insurance.

[John F. Kennedy Broke the Rules of the Zero Sum Game. Will His Nephew Learn How This Was Done?](#)

By [Matthew Ehret-Kump](#), June 12, 2023

Recently, presidential candidate Bobby Kennedy Jr delivered [an interview to Gateway Pundit](#) where he called upon Joe Biden to follow through on the promise to declassify all reports relating to his uncle's 1963 assassination which Biden himself had voted to support when the 1992 Kennedy Records Declassification Act was passed by Congress.

[Blame Game Over the Bombing of the Nova Kakhovka Dam](#)

By [Kurt Nimmo](#), June 12, 2023

In post after post this morning, the corporate war propaganda media is attempting to blame Russia for the terrorist bombing of the Nova Kakhovka dam and hydroelectric power station on the Dnieper River. It is doing this by underscoring an accusation made by a documented serial liar, Volodymyr Zelenskyy, and his coterie of Nazi-worshipping thugs, that Russia punched holes in the dam in order to flood the battlefield.

[From Net Zero to Glyphosate: Agritech's Greenwashed Corporate Power Grab](#)

By [Colin Todhunter](#), June 12, 2023

Today, in the mainstream narrative, there is much talk of a 'food transition'. Big agribusiness and 'philanthropic' foundations position themselves as the saviours of humanity due to their much-promoted plans to 'feed the world' with 'precision' farming', 'data-driven' agriculture and 'sustainable' production.
