[Analysis on the US Midterm Elections. Voter Fraud?](#)

By [Peter Koenig](#) and [GEOFOR](#), November 15, 2022

So far, to the surprise of most people, there are no clear results yet of the US Midterm Elections. The Republicans have won the House of representatives, where they already had a majority before, but the Senate is not decided yet. In three States, Georgia, Arizona and Nevada, the ballots are still being counted, or they will head for a run-off on 6 December 2022.

[Attempt to Try Russian Leaders for War Crimes Is Part of the West's Weaponization of the International Criminal Court](#)

By [Robin Philpot](#), November 15, 2022

International Criminal Court (ICC) continues to serve as a “battering ram for U.S. and NATO policy,” as the former U.S. ambassador-at-large for war crimes in the Clinton administration defined it.

[Latin America and the Caribbean: A Destabilized Region Stifled by Political Chaos, Mounting Debt and Aggressive US Interference](#)

By [Stephen Sefton](#), November 15, 2022

The electoral victories of Gustavo Petro and Inacio Lula da Silva this year in Colombia and Brazil have raised hopes for a new strong impulse towards the full emancipation of Latin America and the Caribbean.

[Europe Arrests Russian Fertilizers, Damaging Food Security](#)

By [Lucas Leiroz de Almeida](#), November 15, 2022

Once again, anti-Russian Western policies are impacting the international supply. According to a recent report by Russian authorities, thousands of tonnes of Russian fertilizers are being seized by the European Union, prevented from being used for food production. This type of measure is extremely dangerous for food security and worsens the global supply crisis.

[Video: Amid Russian Retreat in Kherson Region, Ukrainian Offensive Operations Continue](#)

By [South Front](#), November 15, 2022

After the recent retreat of the Russian military in the Kherson region, the Armed Forces of Ukraine continued occupying the new settlements and secure their positions on the western bank along the Dnieper River and near the city of Kherson.

[The USA's Military Empire: A Visual Database. World Beyond War](#)

By [World Beyond War](#), November 15, 2022

The United States of America, unlike any other nation, maintains a massive network of foreign military installations around the world. How was this created and how is it continued? Some of these physical installations are on land occupied as spoils of war. Most are maintained through collaborations with governments, many of them brutal and oppressive governments benefiting from the bases' presence.

[A Tale of Two Midterms](#)

By [Rep. Ron Paul](#), November 15, 2022

Those searching for an explanation of why there was no “red wave” giving Republicans huge gains in Congress in this year’s midterm election should compare this year’s election with the midterm election of 2010. In 2010, Republicans gained a net 63 House seats. While Republicans then did not gain control of the US Senate, they did gain six Senate seats.

[Doctors Fight Back Against Law that Punishes Them for Diverging from ‘Contemporary Scientific Consensus’](#)

By [Matt Agorist](#), November 15, 2022

As TFTP has reported, Sen. Richard Pan, D-Sacramento, who has sponsored a slew of mandatory vaccine laws throughout his career came out in 2019 to threaten the speech of those who question forced vaccination. Throughout the pandemic, Pan has been staunchly opposed to free speech and advocated for silencing anyone and everyone who doesn’t worship at the altar of Big Pharma and TheScience(TM).
