By [Manlio Dinucci](#), December 19, 2022

EU foreign ministers have allocated another 2 billion euros for military support to Ukraine. The “European Peace Fund”, which has been used to arm and train Kyiv’s army since 2021, is set to increase on an annual basis from the initial 400 million to over one billion euros. This adds more funds to the 30 billion euros that the EU spent from January to October to arm Ukraine.

Ahead of the end-of-year holidays, nearly 1,000 faith leaders in the United States of major traditions are calling for a truce in Ukraine. With 14 million people displaced and over 6,700 confirmed deaths (although the true death toll is estimated to be greater), the war in Ukraine has resulted in enormous violence.

[COVID-19 Vaccine Side Effects: “I Can’t Hear You”](#)

By [Dr. Peter McCullough](#), December 20, 2022

Loss of hearing in the elderly is common affecting both the patient and the people around them trying to communicate. I have noticed many of my vaccinated elderly patients developing progressive hearing loss. Nieminen et al have conducted an extensive hearing assessment of patients in Finland after COVID-19 vaccination and compared them to the unvaccinated.

[Yes, Jesus Would Have Been Branded a Domestic Extremist Today](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), December 20, 2022

What if, instead of being born into the Roman police state, Jesus had been born at this moment in time? What kind of reception would Jesus and his family be given? Would we recognize the Christ child's humanity, let alone his divinity? Would we treat him any differently than he was treated by the Roman Empire?

[“Inside the COVID-19 Global Coup d’état”. COVID-19 Was a Global Coup by Private Finance, IT, and Intelligence Complexes](#)

By [Emanuel Pastreich](#) and [Hrvoje Morić](#), December 20, 2022

A lot of people talk about the World Economic Forum, the Great Reset, techno-fascism, global technocracy. I like the term “algorithm ghetto,” because it’s putting us in a ghetto. They want to create this global government, or global totalitarian system, wherein all nations are run like this. And if you don’t think the way the system wants you to think it’ll just shut you off, you can’t go to work. Your permission to travel will be shut off locally, or internationally.

[Russia: From Boris Yeltsin to Vladimir Putin](#)

By [Dr. Vladislav B. Sotirović](#), December 19, 2022

After the Cold War 1.0 (1949–1989) emerged many new problems in the international arena of global politics as the circumstances concerning international relations drastically have been changed. One of the many problematic issues that have been facing both the USA and Europe (in fact, NATO and the EU) after 1989 was to find a new way of their relations with a new post-communist Russia – a country in a historical political and economic transition.

[The Bivalent Booster Disaster](#)

By [Rav Arora](#), December 19, 2022

Over the past four months, the White House, Centers for Disease Control and Prevention (CDC), and Food and Drug Administration (FDA) have vigorously pushed the new bivalent vaccine on all eligible Americans. In his final [White House briefing](#), Dr. Anthony Fauci stated, “Please, for your own safety, for that of your family, get your updated COVID-19 shot as soon as you’re eligible to protect yourself, your family, and your community.”

[Media Reporting, Justice and “Induced Political Dementia”](#)

By [Stephen Sefton](#), December 19, 2022

People who have had to care for elderly loved ones who suffer from the terrible disease of dementia commonly find during this experience that our loved ones can hold grammatically correct but completely meaningless conversations. These may be with imaginary people, about non-existent situations, or recalling events that never happened. The conversation sounds normal, but is in fact completely absurd.

[On Western Support for Nazism](#)

By [Mark Taliano](#), December 19, 2022

It would be obvious and widely accepted that we in the West are responsible for the rebirth and growth of Nazism, if the truth was a staple in our cultural diets. Beneath veils of distractions and obfuscations, for example, the Canadian government has a long history of quietly supporting nazism.

By [Khaled Mouammar](#), December 19, 2022

Palestinian woman tells the story of her connection to the village of Ma'alul (which I visited on July 28, 2022) which was one of 520 villages destroyed by Israel in 1948, and how she and the half million internally displaced Palestinian citizens of Israel are determined to exercise their return to their villages and land despite racist Israeli laws that deny them their right to do so.
