By [Prof. Chris Impey](#), September 04, 2023

There's a lot of trash on the Moon right now – including nearly [100 bags of human waste](#) – and with countries around the globe traveling [to the Moon](#), there's going to be a lot more, both on the lunar surface and in Earth's orbit.

[Video: Defying State-Driven Medical Censorship](#)

By [Dr. Mark Trozzi](#) and [RAIR Foundation USA](#), September 03, 2023

In a defiant stand against the suppression of real science and the subversion of medical ethics, Canadian physician Dr. Mark Trozzi has found himself in the crosshairs of a legal battle with the College of Physicians and Surgeons of Ontario (CPSO). Dr. Trozzi, one of the early doctors to challenge prevailing COVID-19 narratives, faces a lengthy and expensive 'trial' as he seeks to defend his views grounded in science and genuine concern for patient well-being.

[Defriending Canada: Natural Disasters and Facebook's Information Scrub](#)

By [Dr. Binoy Kampmark](#), September 03, 2023

Australia experienced this in February 2021. Facebook had gotten nastily stroppy, wishing to dictate public policy to the Commonwealth government. To teach Canberra mandarins a lesson, it literally unfriended the entire country, scrubbing all news platforms of content and making any posted links through the platform inaccessible.

[Russia and BRICS Counter-Terrorism Projects: Moscow Remembers "The Beslan Terrorist Attack" in Northern Ossetia](#)

By [Kester Kenn Klomegah](#), September 03, 2023

On September 3, the Russian Federation is marking a memorable date, specifically, the Day of Solidarity in the Fight against Terrorism that became part of Russian legislation in 2005, a year after a horrendous terrorist attack in Beslan that killed over 300 Russian citizens, including children.

[Are Directed Energy Weapon \(DEW\) and HAARP Experiments Being Ratcheted Up Worldwide?](#)

By [Dr. Mathew Maavak](#), September 03, 2023

I have watched various images and commentary-laced video clips of this strange event and concede that they can be attributed to Directed Energy Weapons (DEW). I was sceptical of DEW capabilities until the Maui incident.

[Discredit COVID Vaccine Sceptics as "Mentally Ill"](#)

By [Dr. Rudolf Hänsel](#), September 03, 2023

After it was recently announced that the Digital Service Act (DSA) for very large platforms and search engines has come into force, which is supposed to limit the power of internet monopolists and expand possibilities of political censorship, the well-known German business journalist Dr. Norbert Häring has now reported on his blog that the EU project "Jitsuvax" will be funded with 3.1 million euros over a period of four years to develop psychological methods to combat vaccination scepticism.
