Global Research, August 02, 2018

For almost seventeen years, Global Research, together with partner independent media organizations, has sought Truth in Media with a view to eventually “disarming” the corporate media’s disinformation crusade.

To reverse the tide, we call upon our readers to participate in an important endeavor.

Global Research has over 50,000 subscribers to our Newsletter.

Our objective is to recruit one thousand committed “volunteers” among our 50,000 Newsletter subscribers to support the distribution of Global Research articles (email lists, social media, crossposts).

Do not send us money. Under [Plan A](#), we call upon our readers to donate 5 minutes a day to Global Research.

Global Research Volunteer Members can contact us at crg.online@yahoo.com for consultations and guidelines.

If, however, you are pressed for time in the course of a busy day, consider [Plan B](#), Consider Making a [Donation](#) and/or becoming a [Global Research Member](#).

By [Dr. Andrew Glikson](#), August 02, 2018

There was a time when the contamination of drinking water constituted a punishable crime. Nowadays those who willfully ignore or promote the destruction of the Earth's atmosphere and ocean acidification through the rise in emission of carbon gases (2014 ~36.08 billion ton CO₂/year ; 2017 ~36.79 billion ton CO₂/year), hold major sway in the world.

[Trump Threatens Iran to Distract From Russia Criticism and Appease Israel](#)

By [Prof. Marjorie Cohn](#), August 02, 2018

Trump is now desperate to deflect criticism away from his much-criticized summit with Russian president Vladimir Putin. Trump knows that a war — conducted with the right spin — could help the GOP in the midterm elections. And Israel, the United States' closest ally, has been [gunning for regime change](#) in Iran, which Israel considers to be an existential threat.

[Rwandan Dictator Paul Kagame's Paranoia Strikes Deep](#)

By [Ann Garrison](#), August 02, 2018

The *Indian Ocean Newsletter* reports that French intelligence warned Yoweri Museveni that Kagame was plotting to have his plane shot down over Rwanda, causing him to cancel a flight from Uganda to Burundi for a summit. If said plot had come to fruition, it would have been Kagame's second presidential assassination by plane shoot-down over Rwanda. In 1994, his men shot down the plane carrying Rwandan Hutu President Juvenal Habyarimana and Burundian Hutu President Cyprien Ntaryamira from Arusha, Tanzania, to Kigali, Rwanda. That shoot-down triggered the infamous hundred days of ethnic massacres known as the Rwandan Genocide.

[The Yellow Peril Comes to Washington. Is China Also Involved in "Election Meddling"!?](#)

By [Philip Giraldi](#), August 02, 2018

So President Donald Trump reckoned on Monday that the United States Intelligence Community (IC) just might be wrong in its assessment that Russia had sought to interfere in the 2016 U.S. election but then decided on Tuesday that he misspoke and had the greatest confidence in the IC and now agrees that they were correct in their judgment.

[On 65th Anniversary of Korean Truce, Activists Criticize the US for Delaying Real Peace](#)

By [Kevin Zeese](#), August 02, 2018

South Korean peace and justice activists have been writing to us at [Popular Resistance](#) complaining that the United States is not responding to the positive steps being taken by North Korea before and after the meeting between President Trump and Chairman Kim. They have sent us information about protests they are organizing in South Korea against the United States as well as in Washington, DC.
