### [Calling for an “American Ministry of Truth”. The US Media’s Dystopian “2021”](#)

By [Stephen Lendman](#), February 03 2021

Along with Big Brother mass surveillance and newspeak, Orwell’s Ministry of Truth was all about controlling the message, eliminating whatever conflicts with it, memory holes used for this purpose. The Times and other US major media operate this way now — a collective ministry of truth as described above.

## [Racial Inequality, Institutional Discrimination: The "Great Awakening" in Global and Class Context](#)

By [Prof. Charles McKelvey](#), February 03 2021

The Woke ideology has the support of the political establishment. Politicians invoke its rhetoric; the media editorializes in its defense; and corporations promise to reform in accordance with its teachings. There is a reason for this: The Woke ideology functions to channel popular anger and discontent in a manner that does not threaten elite interests.
