[Hillary Clinton: Wall Street's Losing Horse? Constitutional Crisis? What's the End Game?](#)

By [Prof Michel Chossudovsky](#), November 01 2016

The trigger mechanism did not originate from FBI Director James Comey's letter per se. It was the Wall Street Journal, mouthpiece of the US financial establishment, which revealed the fraud and bribery scheme: The wife of the Number Two Man at the FBI Andrew McCabe had received a large sum of money from Hillary Clinton, via the Governor of Virginia.

[Unprecedented Crisis, Collapse of the Clinton Apparatus? Hacker Whistleblowers, Trump, and the FBI Converge](#)

By [Larry Chin](#), November 01 2016

With one week left in the most chaotic and dangerous presidential contest in American history, the Hillary Rodham Clinton campaign is damaged and sinking. Even the propaganda protection of the Clinton-controlled mainstream corporate media is starting to buckle.

[The Toxic Science of Flu Vaccines](#)

By [Richard Gale](#) and [Dr. Gary Null](#), November 01 2016

Joshua Hadfield was a normal, healthy developing child as a toddler. In the midst of the 2010 H1N1 swine flu frenzy and fear mongering about the horrible consequences children face if left unvaccinated, the Hadfield's had Joshua vaccinated with Glaxo's Pandemrix influenza vaccine. Within weeks, Joshua could barely wake up, sleeping up to nineteen hours a day. Laughter would trigger seizures.

[Nuclear Winter: Turning a Blind Eye towards Armageddon. Scientists Warn of the Existential Danger of Nuclear War...](#)

By [Steven Starr](#), November 01 2016

Ten years ago, the world's leading climatologists chose to reinvestigate the long-term environmental impacts of nuclear war. The peer-reviewed studies they produced are considered to be the most authoritative type of scientific research, which is subjected to criticism by the international scientific community before its final publication in scholarly journals. No serious errors were found in their studies.

[U.S. Imperial Wars: Militarism in West Asia and the Horn of Africa: The Need for Antiwar Solidarity](#)

By [Abayomi Azikiwe](#), November 01 2016

Many of the wars waged by United States imperialism around the world remain largely hidden from people inside the country. This represents a challenge for the antiwar and anti-imperialist movements in North America which are grappling with how to move forward amid a national presidential and congressional election which has failed to address any substantial issues domestic and international.

[China's Economic Relations with Latin America](#)

By [Ulises Noyola Rodriguez](#), November 01 2016

The fall in commodity prices indicates the fragility of the economic relation between China and Latin America that at the present time registers an important deceleration in commercial transactions, a situation that the United States seeks to take advantage of in order to reposition itself in the region. The Chinese government had decided to support the construction of large works of infrastructure in Latin America that would doubtless be built with material coming from China through the creation of various infrastructural funds with Latin American governments that reached a total of 45 billion dollars in 2015.
