[Tyranny by the Numbers: The Government Wants Your Money Any Way It Can Get It](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), April 10, 2024

It's estimated that the amount this country owes is now [130% greater than its gross domestic product \(all the products and services produced in one year\)](#) by labor and property supplied by the citizens). In other words, the government is spending more than it brings in.

[Putin Has Allowed the Ukraine Conflict to Spiral Out of Control](#)

By [Dr. Paul Craig Roberts](#), April 10, 2024

The war has widened far from Donbass into Russian cities—Belgorod from which there have been evacuations, Tula, Kaluga, Bryansk, and Moscow—and military bases, oil refineries, and concert halls. The attacks are mainly defeated by Russian air defense, but the attacks show that the conflict has spread beyond Donbas into Russia.

[Will Paris '24 be the Genocidal Olympics?](#)

By [Prof. Anthony J. Hall](#), April 09, 2024

Based on a wrongheaded view of Russia's necessary intervention to hold back NATO and US-backed aggressions in Ukraine, the International Olympics Committee (IOC) has already excluded Russia and Belarus from the Paris Games. In contrast the IOC is, so far at least, sticking to the position that the genocide— a genocide already subject to a host of judicial interventions at the World Court— will welcome Israel to the Paris Olympic Games.

[Ukraine May Have to Compromise with Russia, Says NATO Chief Stoltenberg](#)

By [Ahmed Adel](#), April 09, 2024

Ukraine may ultimately have to agree to some kind of compromise with Russia to end the conflict, NATO Secretary General Jens Stoltenberg said in an interview with the BBC [published](#) on April 6, adding that it is up to the West to ensure Kiev achieves an "acceptable result."

[Israeli Milestones: From Six-Day Victory in 1967 to Six-Month Failure](#)

By [Rick Sterling](#), April 09, 2024

In June 1967 Israel launched surprise attacks on its Arab neighbors and captured Gaza, the West Bank, Jerusalem and the Golan. With military and intelligence support from Lyndon Johnson's administration, Israel shocked and overwhelmed its neighbors, largely destroying Egypt's air force on the ground.
