Lying is a money making activity and lies are commodities. There is a profitable global market for media and public figures committed to spreading disinformation.

Needless to say, "Telling the Truth", on the other hand, Is Not a Money-Making Proposition. The monthly deficit we have been faced with over the past year is proof of this concept.

With this in mind, can you spare a dollar a day to keep disinformation away? Your support could make the difference and ensure that GlobalResearch.ca is here for a long time to come!

[US Hospitals Getting Paid More to Label Cause of Death as 'Coronavirus'](#)

By [Wayne Dupree](#), April 15, 2020

Senator Scott Jensen represents Minnesota. He's also a doctor. He appeared on Fox News with Laura Ingram where he revealed a very disturbing piece of information.

Dr. Scott Jensen says the American Medical Association is now "encouraging" doctors to overcount coronavirus deaths across the country.

[Video: The Discourse Surrounding Trump's Handling of COVID-19: Dr. Shiva Ayyadurai](#)

By [Dr. Shiva Ayyadurai](#) and [Christina Aguayo](#), April 14, 2020

“Unfortunately this guy Fauci has been in this environment for nearly 4 decades across multiple presidents and is essentially embedded in this scientific establishment which has created an unfortunate lie about the immune system and an unfortunate lie about the solution to this coronavirus or more importantly infectious disease without any real emphasis which is a real issue about the fact that it is an overactive dysfunctional weakened immune system that overreacts and that’s what causes damage to the body. And unfortunately Fauci has not talked about that because the truth of that leads to a solution which has nothing to do with mandating vaccines and shutting down the country.” -Dr. Shiva Ayyadurai

[America: A Nation Over-Obsessed by the Threat of COVID-19 Infection](#)

By [Stephen Lendman](#), April 13, 2020

At least eight coronavirus strains exist. Infection rates worldwide differ markedly, some countries more successful in containing outbreaks than others — the US notably unsuccessful, China very successful with four times the population.

Is its healthcare system more advanced than America’s or other Western countries?

Is it because of increasing US indifference toward public health, its infrastructure unprepared to deal with a widespread outbreak of any infectious disease — including healthcare professionals lacking personal protective equipment (PPE) when most needed?

[Fitting Together the Pieces of the Coronavirus Puzzle](#)

By [Mark Taliano](#), April 12, 2020

The truth lies in the common threads that run through the Coronavirus story, which include Big Money, the billionaire foundations (1), and Big Pharma. These forces, allied with neoliberal ideologies of privatization, deregulation, and the emaciation of the public sphere, have formed toxic alliances that are destroying global economies, as well as the health and welfare of impacted populations.

[Minnesota: Doctors Receiving Instructions “to Report Covid19 as a Cause of Death, even if Patient was never Tested”.](#)

By [OffGuardian](#), April 10, 2020

Minnesota State Senator Scott Jensen appeared on a local news show to report that doctors were receiving instructions from the Minnesota Department of Health to report Covid19 as a cause of death, even if the patient was never tested.

Senator Jensen, who is also a practising physician, said he had never before in his thirty-five-year career received specific instructions on how to fill out a death certificate

[Fake Coronavirus Data, Fear Campaign. Spread of the COVID-19 Infection](#)

By [Prof Michel Chossudovsky](#), April 05, 2020

The unspoken truth is that the novel coronavirus provides a pretext to powerful financial interests and corrupt politicians to trigger the entire World into a spiral of mass unemployment, bankruptcy, extreme poverty and despair.

This is the true picture of what is happening. “Planet Lockdown” is an encroachment on civil liberties and the “Right to Life”. Entire national economies are in jeopardy. In some countries martial law has been declared.

[We are Currently Not Measuring the Incidence of Coronavirus Diseases, but the Activity of the Specialists Searching for Them](#)

By [Dr. Wolfgang Wodarg](#), April 02, 2020

We are currently not measuring the incidence of coronavirus diseases, but the activity of the specialists searching for them.

Wherever such the new tests are carried out – there about 9000 [tests per week available](#) in 38 laboratories throughout Europe on 13 February 2020 – there are at least single cases detected and every case becomes a self-sustaining media event. The fact alone that the discovery of a coronavirus infection is accompanied by a particularly intensive search in its vicinity explains many regional clusters.
