[Creating Havoc in Moscow: Wagner's PMC "Short-Lived" Rebellion Against Putin. Who Was Behind It?](#)

By [Peter Koenig](#), June 25, 2023

What Evgeny Prigozhin, the leader of the Wagner Private Military Company (PMC) really wanted to achieve with his short-lived "rebellion" is unclear as of now. A mutiny – for what? To create havoc in Moscow? To please the West? To prepare for Regime Change – against his boss, President Putin, who gave him the mandate to help fight the Ukraine aggression against Russians, mainly in the Donbass Region, with a mercenary army. Is that Prigozhin's purpose?

[The "Russian Coup" that Wasn't](#)

By [Dr. Paul Craig Roberts](#), June 26, 2023

The Russian media has set in stone the narrative that Prigozhin, the commander of the Wagner Group which has done most of the fighting in the liberation of Donbass, launched an "armed rebellion" against Putin despite the fact that there is no evidence of an armed rebellion.

By [Shane Quinn](#), June 26, 2023

The United States had been running two separate military campaigns in Yemen, which was kept virtually secret from the American public. One of the campaigns was under the authority of the CIA using drones, and the other was being executed by elite US troops from the Joint Special Operations Command (JSOC).

[Two U.S. Senators Propose Nuclear War Against Russia](#)

By [Eric Zuesse](#), June 26, 2023

This proposed congressional Resolution, if it passes, is actually part of a U.S. Government strategy to enable the government of Ukraine, when and if Ukraine manages successfully to hit that nuclear power plant and thereby causes nuclear radiation to go downwind into a NATO member nation, to spark an “immediate” invasion of Russia by the U.S. Government on behalf of NATO.

[Meet BlackRock, the New Great Vampire Squid, “Global Financial Giant”](#)

By [Ellen Brown](#), June 25, 2023

To most people, if they are familiar with it at all, BlackRock is an asset manager that helps pension funds and retirees manage their savings through “passive” investments that track the stock market. But working behind the scenes, it is much more than that. BlackRock [has been called](#) “the most powerful institution in the financial system,” “the most powerful company in the world” and the “secret power.”

[The Fourth Industrial Revolution: “AI Will Enable Some People to Control the World”](#)

By [Michael Welch](#), [Karsten Riise](#), and [Peter Koenig](#), June 24, 2023

Science fiction can involve extra-terrestrial species interacting with human beings, space exploration, time travel, telepathic development, and parallel universes. When the subject turns to the question of artificial intelligence (AI), speculation and advanced research seem to be merging in the imagination of our time.

[Prigozhin’s Wagner PMC Gambit: Failed “Moscow Maidan”? Scott Ritter](#)

By [Scott Ritter](#), June 25, 2023

If Disney were to write a song about Prigozhin and Wagner today, it would be called Hero to Zero. Let there be no doubt in anyone’s mind—Yevgeny Prigozhin has become a witting agent of Ukraine and the intelligence services of the collective West.
