[Crimes Against Peace: The Chilcot Inquiry, Tony Blair and Iraq](#)

By [Dr. Binoy Kampmark](#), July 07 2016

Britain is in political turmoil, but even prior to that, there was that old problem of why Her Majesty's government went to war in a disastrous conflict that had no immediate, security related grounds. The reasons for invading Iraq were more ideological than scientific, more evangelical than rational.

After seven years, the Chilcot report has delivered a damning verdict on Tony Blair's role in the war on Iraq, but British Prime Ministers playing a destructive role in Iraq is a centuries old practice. Britain has used its military might and commercial prowess to subjugate Iraq and control its oil resources for over one hundred years.

The death toll from the horrific recent Iraq bombings has risen over 250. If Blair had not been absolutely determined to attack Iraq on the basis of a knowing lie about WMD, they would be alive now, along with millions of other dead. ISIS would never have taken control of territory in Iraq and Syria.
