[Digital Currency: The Fed Moves Toward Monetary Totalitarianism](#)

By [André Marques](#), December 12, 2022

The Federal Reserve is sowing the seeds for its central bank digital currency (CBDC). It may seem that the purpose of a CBDC is to facilitate transactions and enhance economic activity, but CBDCs are mainly about more government [control](#) over individuals. If a CBDC were implemented, the central bank would have access to all transactions in addition to being capable of freezing accounts.

By [Prof. Akbar E. Torbat](#), December 12, 2022

On December 8, the Iranian judiciary ordered to hang Shekari, who had been convicted of injuring a basij security guard with a knife and blocking a street in Tehran. That was the first such execution after thousands of arrests over the unrest and the killing of more than 400 protestors. In reaction, on September 10, the offices of basij at Sharif University and some other locations were torched.

[A Hair Trigger on Endgame](#)

By [Dr. Paul Craig Roberts](#), December 12, 2022

The insouciance of Washington and its European puppets toward the dangerous situation they are provoking with Russia is frightening. The Western world is now led by people who have made it clear that they will risk nuclear war in their pursuit of American hegemony. Evil has clearly triumphed in the Western world.

[Ukrainian Forces Continue Shelling Donetsk](#)

By [Lucas Leiroz de Almeida](#), December 12, 2022

Kiev continues ceaselessly attacking the capital of the Donetsk People's Republic. Despite the republic's accession to the Russian Federation, operated after a popular referendum attesting to the will of local residents, the Ukrainian neo-Nazi regime maintains its policy of military actions against the region, violating Russian sovereign territory.
