[Overshooting Technology's Limits: Elon Musk's Visions of Conquering the Universe. "10,000 Square Miles of Solar Panels Could Power the Entire U.S."](#)

By [John Klar](#), November 30, 2023

The accomplishments of human technology are genuinely astounding. However, anthropogenic ingenuity's limits – and potential harms – are abundantly evident. These dangerous realities do not daunt Elon Musk and NASA, who promise to use technology to solve worldly ills of energy and pollution (by burning energy, and polluting).

[The Media's Fatal Compromises. The Practice of "Embedding": "Undisguised Effort to Control What War Correspondents See and Hear": Patrick Lawrence](#)

By [Patrick Lawrence](#), November 30, 2023

The practice of "embedding," which requires correspondents to report in war and conflict zones as part of a given military unit, struck me as a repellent compromise with power as soon as American media began accepting this unacceptable [practice](#). It is an undisguised effort to control what correspondents see and hear, and so what they write or broadcast, and so what their readers, listeners and viewers think.

### [How F-16s for Kiev Regime Could Spark Wider NATO-Russia War](#)

By [Drago Bosnic](#), November 30, 2023

For months, the Neo-Nazi junta has been preparing to receive US-made F-16 fighter jets from its NATO overlords, including by [repurposing civilian airfields and infrastructure for military use](#). The Kiev regime's air arm has suffered major losses since the start of the special military operation (SMO), with its airbases either destroyed or damaged beyond repair by Russian long-range precision strikes.

### [The White House Goes Rogue: "The Government's Definition of a "Bad" Guy". Secret Surveillance Program Breaks All the Laws](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), November 30, 2023

The government wants us to believe that we have nothing to fear from its mass spying programs as long as we've done nothing wrong. Don't believe it. It doesn't matter whether you obey every law. The government's definition of a "bad" guy is extraordinarily broad, and it results in the warrantless surveillance of innocent, law-abiding Americans on a staggering scale.

### [Fake Obituaries Are Being Created to Taint “Died Suddenly” Reporting. Dr. William Makis](#)
