Ron Johnson (R-Wis.) led a roundtable discussion Dec 7, 2022, COVID-19 Vaccines: What They Are, How They Work, and Possible Causes of Injuries, to shed light on the current state of knowledge surrounding the vaccine and the path forward.

### [Europe Abandons All-Electric Car Mandate. Stupidity of the CO2 Transition](#)

By [Igor Chudov](#), March 30, 2023

The EU's reversal allows "the sales of new cars with combustion engines that run on synthetic fuels," which sounds very environmentally friendly. But synthetic fuels are similar to gasoline or diesel, so the decision allows internal combustion cars to continue being produced. While electric cars will still be produced and incentivized, there is no longer a 100% mandate by 2035.

### [Why the Main Players Behind the Israeli Protest Movement Are Bringing the Confrontation to a Head](#)

By [Razi Nabulse](#), March 30, 2023

Any Palestinian following the developments in the Israeli protest movement against “the judicial coup” will require nerves of steel to withstand the hypocrisy on display. The protests are estimated to be 100,000 people strong, politicians are jumping over tables in the Knesset, and former army Chief of Staff Yair Golan is calling for a state of “civil disobedience.”

[Klaus Schwab: “...Who masters those technologies, in some way, will be the master of the world.”](#)

By [Jacob Nordangard](#), March 30, 2023

During the World Government Summit 2023, which was held in Dubai in the United Arab Emirates on February 13-15, the chairman of the World Economic Forum, Klaus Schwab, proclaimed that whoever controls the technologies of the fourth industrial revolution will be the master of the world.

[Global Governance by Artificial Intelligence: The Ultimate Unaccountable Tyranny](#)

By [Brandon Smith](#), March 29, 2023

It’s no secret that globalist institutions are obsessed with Artificial Intelligence as some kind of technological prophecy. They treat it as if it is almost supernatural in its potential and often argue that every meaningful industrial and social innovation in the near future will owe its existence to AI.

[Congress Has Been Captured by the Arms Industry](#)

By [William D. Hartung](#), March 29, 2023

On March 13th, the Pentagon rolled out its proposed budget for Fiscal Year 2024. The results were — or at least should have been — stunning, even by the standards of a department that's used to getting what it wants when it wants it.

### [China: Democracy and Development](#)

By [Peter Koenig](#), March 29, 2023

There is no sustainable development without what we call “democracy”- or without people’s, beneficiaries’ active participation. This applies to large political systems intending evolving, seeking the betterment of their populations – as well as for “smaller-scale” development projects, seeking to eradicate poverty and improve the wellbeing of the people.

### [A State of Never-Ending Crisis: The Government Is Fomenting Mass Hysteria](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), March 29, 2023

We have become guinea pigs in a ruthlessly calculated, carefully orchestrated, chillingly cold-blooded experiment in how to control a population and advance a political agenda without much opposition from the citizenry. This is mind-control in its most sinister form.
