[From Bill Gates to “The Great Refusal”: Farmers on the Frontline](#)

By [Colin Todhunter](#), July 27, 2022

Prior to the Industrial Revolution, most humans were engaged in agriculture. Our relationship with nature was immediate. Within just a few generations, however, for many people across the world, their link with the land has been severed. Food now arrives pre-packaged (often precooked), preserved with chemicals and contains harmful pesticides, micro-plastics, hormones and/or various other contaminants. We are also being served a narrower menu of high-calorie food with lower nutrient content.

[The Impact of Vaccines on Mortality Decline Since 1900—According to Published Science](#)

By [JB Handley](#), July 27, 2022

Since 1900, there’s been a 74% decline in mortality rates in developed countries, largely due to a marked decrease in deaths from infectious diseases. How much of this decline was due to vaccines? The history and data provide clear answers that matter greatly in today’s vitriolic debate about vaccines.

[The Vaccinated Are “Infecting” the Unvaccinated with Dangerous Graphene Oxide: Biomedicine Experts](#)

By [Mary Villareal](#), July 27, 2022

Dr. Philippe Van Welbergen, one of the original experts to find damage from the blood due to the Wuhan coronavirus (COVID-19) vaccines, found that [unvaccinated individuals have graphene and self-assembling nanoparticles in their blood](#) – a manifestation of shedding from those who took the shots.

[Strained US-China Relations, Taiwan Spills Over into Ukraine: “A No-Win Situation” for Washington](#)

By [Kim Petersen](#), July 27, 2022

Nancy Pelosi, speaker of the United States House of Representatives, is reportedly scheduled to visit Taipei in August 2022. The stated purpose is supporting Asian democracy. The trip has more than irked the Chinese. The trip has obviously not been approved by the one recognized government of China in Beijing. Some may downplay the speaker of the US House of Representatives as being largely ceremonial, but the Speaker is second in line, after the vice-president, should the addled president be unable to fulfill his duties, a scenario wholly within the realm of possibility.

[Ugly COVID Lies. The Lockdown and the “Vaccine”. The Prime Instigators of This Infamy Are Walking Free...](#)

By [Rep. Ron Paul](#), July 27, 2022

After two years of unprecedented government tyranny in the name of fighting a virus, the prime instigators of this infamy are walking free, writing books, and openly pretending they never said the things they clearly said over and over. Take Trump’s White House Covid response coordinator Deborah Birk, for example. She was, as the Brownstone Institute’s Jeffrey Tucker points out in a recent article, the principal architect of the disastrous “lockdown” policy that destroyed more lives than Covid itself.

[Africa Remains at the Center of a 21st Century Cold War](#)

By [Abayomi Azikiwe](#), July 27, 2022

United States President Joe Biden announced during July that he would host a summit with African leaders at the White House in December. This announcement by Biden comes in the aftermath of several important political developments which have exposed the ineffective foreign policy orientation of the world’s leading capitalist country.

[Dutch Farmers Versus the WEF: Elitists’ Goal: Wipe Out Good Food](#)

By [Dr. Joseph Mercola](#), July 27, 2022

The Friedman School of Nutrition Science and Policy’s Food Compass, unveiled in late 2021, is another Great Reset tool designed to discourage consumption of animal foods by falsely

rating them as unhealthy, and encouraging consumption of ultraprocessed foods by giving them high nutritional ratings.

["JFK: Destiny Betrayed" Leaves No Doubt That JFK Was Assassinated as Part of CIA Coup](#)

By [John Potash](#), July 27, 2022

JFK: Destiny Betrayed presents convincing evidence confirming that U.S. intelligence orchestrated the assassination of President John F. Kennedy. Directed by Oliver Stone and written by Jim DiEugenio, the documentary series builds on Stone's Oscar-winning 1991 film JFK. It illuminates JFK's opposition to the imperialist machinations of American oligarchs, who enlisted U.S. intelligence and the Mafia to orchestrate his assassination and then cover it up for decades.

[Former Greenpeace President Dr. Patrick Moore Says the Elites Have a 'Suicide Pact' to Reduce the World's Population](#)

By [Christopher Black](#), July 27, 2022

We're now facing a situation where a huge number of very powerful organizations and elites at an international and at national levels are calling for policies that are basically a suicide pact. Basically a death wish of some sort.

[Chinese Communist Party \(CCP\) Holds Its Annual Strategic Private Meeting: "Shaping the Future of China". Deep-seated Political Divisions Within Chinese Leadership?](#)

By [Tom Clifford](#), July 27, 2022

Beidaihe, a coastal resort some 280 km north of Beijing, does not see the country's leading politicians taking the plunge into the blue, to escape the sultry heat, but it does see them testing the political waters for two weeks from the beginning of August. The jostling for position and power brokers doing deals may be reminiscent of political conclaves the world over but this is in a league of its own. One showpiece event will focus their minds this year.

[Collapse of an Economic System: "The COVID-19 Crisis Is Not the Result of a Single Virus"](#)

By [Emanuel Pastreich](#), July 27, 2022

The COVID-19 crisis is not the result of a single virus. No single virus could create such deep uncertainty and fear in our country; no disease could unleash such horrific ambivalence and

unspeakable loathing.
