

Selected Articles: Geopolitical Crisis in Asia

By [Global Research News](#)

Global Research, October 05, 2017

Global Research strives for peace, and we have but one mandate: to share timely, independent and vital information to readers across the globe. We act as a global platform to let the voices of dissent, protest, and expert witnesses and academics be heard and disseminated internationally.

We need to stand together to continuously question politics, false statements, and the suppression of independent thought.

[Monsanto's Violence in India: The Sacred and The Profane](#)

By [Colin Todhunter](#), September 30, 2017

Foreign capital is dictating the prevailing development agenda in India. There is a deliberate strategy to make agriculture financially non-viable for India's small farms, to get most farmers out of farming and to impose a World Bank sanctioned model of food production. The aim is to replace current structures with a system of industrial (GM) agriculture suited to the needs of Western agribusiness, food processing and retail concerns.
