

Selected Articles: Gravitas: Canada's Freedom Convoy Grows in Strength

By [Global Research News](#)

Global Research, February 04, 2022

Dear Readers,

As everyone faces difficult times, the company which deals with the fulfillment of book sales on behalf of Global Research is no longer able to provide its services. We are unfortunately suspending the sale of print books until further notice.

We will be contacting and refunding readers who have purchased our books in print format. Meanwhile, PDF versions are still available for purchase. We hope to be able to resolve this matter as soon as possible. Our apologies for the inconvenience.

Thank you for your valuable support.

Canada's Truckers protest refuse to die down. Sikhs have joined truckers in demonstrations against the Canadian Govt. Canada's leader of Opposition Candice Bergen wants Justin Trudeau to apologise for derogating the motives of protesters.

[#Freedom Convoy 2022: "Step Down Trudeau"](#)

By [Dr. Micheline Ladouceur](#), February 04, 2022

The truckers are incredibly calm, they are pacifists. They will stay in Ottawa until the "Covid-19 mandates" are cancelled. The government must agree to put an end to these health measures which in fact are measures of a political nature.

[Embalmers Discover Strange, Rubbery 'Worms' in Bodies of the Jabbed](#)

By [Free West Media](#), February 03, 2022

Dr Jane Ruby spoke to embalmer Richard Hirschman for the Stew Peters Show on Thursday about “strange, rubbery” plugs found in the veins of deceased Americans. Hirschman took a number of photos of the “worms”, which were shown during the interview.

[Ukraine: American Mercenaries Train Ukrainian Neo-Nazis to Prepare Them to Fight in the Donbass](#)

By [Christelle Néant](#), February 03, 2022

While Ukraine continues to go against Western rhetoric about Russia’s future “invasion” of the country in order to save what can be saved of its economy, the Ukrainian army and Ukrainian neo-Nazi battalions continue their preparations for an offensive against the Donbass, with the help of American mercenaries.

[Reaching Covid-19 “Turning Point of Critical Mass”: Is Nuremberg 2 Next? London Metropolitan Police Criminal Investigation](#)

By [Joachim Hagopian](#), February 03, 2022

Pregnant mothers that accepted Pfizer’s experimental bioweapon during its initial trial phase that after only 108 days the FDA approved for experimental authorization use (EAU) only, according to its available database, Pfizer killed every single tracked unborn baby.

[Surprise, Surprise...The Washington Post Publishes a Commentary Full of Lies Against Putin](#)

By [Eric Zuesse](#), February 03, 2022

Russia’s position has consistently been that only the people who live in Donbass have the right to determine whether or not—and the terms under which—they will be ruled by the government in Kyiv.

[Dear America: Enough Is Enough](#)

By [Emanuel Pastreich](#), February 03, 2022

We cannot even begin to formulate a response to the COVID-19 fraud until citizens snap out of the deadly slumber of narcissism and decadence, of passivity and consumption, that permeates every aspect of our lives.

[Toddler Refused Heart Surgery in Three Separate Countries Over Parents Being Unjabbed](#)

By [Peter Caddle](#), February 03, 2022

A three-year-old Cypriot toddler with a serious heart disease was refused necessary surgery in three separate countries because his parents are not vaccinated against the Chinese Coronavirus. The child is now finally awaiting surgery in Greece.

[What Will the World Look Like in 2032? Reversing the Covid Narrative, Confronting “The Great Reset”, Restoring Democracy](#)

By [Peter Koenig](#), February 03, 2022

The video talks about UN Agenda 2030, without ever mentioning it. It covers a ten-year period, starting in 2022, when it is expected that most of the vaxx-drive around the world, especially in the Global North, will be completed or is expected to be completed soon.

[COVID Vaccine Vial Contents Found to be Highly Toxic When Spilled – Imagine the Damage Caused When Injected](#)

By [Ethan Huff](#), February 03, 2022

A few months back, workers transporting vials of a Wuhan coronavirus (Covid-19) “vaccine” drug called CoronaVac suffered serious injuries after a shipment was damaged and spilled. [A study](#) on the incident, which took place in Thailand, found that health personnel exposed to the evaporated vial contents suffered ocular surface erosion and skin rashes.
